PROTECT YOURSELF AND YOUR LOVED ONES

Flu vaccinations start Monday, September 21, 2020

This year we've set up safe drive-through or walk-up flu shot locations. Let us know when you plan to arrive, so we know when to expect you. To schedule your flu shot visit kp.org/flu or call 1-800-573-5811 for more information. Our staff will be wearing masks and other personal protective equipment and are following strict hygiene protocols. **Don't forget your mask!**

If you're experiencing a cough, fever, shortness of breath, or other symptoms of COVID-19, call our Appointment and Advice Call Center, 1-866-454-8855, or email your doctor before getting your flu shot.

Due to social distancing protocols, flu clinics will not be offered at our Sacramento and Roseville Medical Centers; Downtown Commons and Fair Oaks Medical Office; or East Roseville Parkway.
