ORDINANCE NO. 2013-0013
Adopted by the Sacramento City Council
May 28, 2013

AN ORDINANCE AMENDING CHAPTER 8.120
OF THE SACRAMENTO CITY CODE RELATING TO
THE RENTAL HOUSING INSPECTIONS PROGRAM

BE IT ENACTED BY THE COUNCIL OF THE CITY OF SACRAMENTO:

SECTION 1.

Chapter 8.120 of the Sacramento City Code is amended to read as follows:

Chapter 8.120 RENTAL HOUSING INSPECTIONS CODE

Article I. General

8.120.010 Title.
This chapter shall be known as the “rental housing inspections code,” may be cited as such, and will be referred to herein as “this chapter.”

8.120.020 Purpose and findings.
A. The city council of the city of Sacramento recognizes that the preservation of existing rental housing stock is of tremendous importance. Rental housing provides needed, affordable housing for many and is a valuable asset that must be preserved and maintained. The city has a significant interest in ensuring that rental housing remains a desirable housing option for its citizens.

B. Over time rental housing often deteriorates because of intentional and unintentional neglect by property owners, managers and tenants. This deterioration often results in substandard conditions that adversely affect the economic values of neighboring structures, and that are hazardous to the public health and safety. In many cases, property owners choose not to make the necessary repairs because of cost, and tenants do not report the deficiencies out of lack of knowledge or because they fear being evicted for doing so.

C. The public interest demands that all rental housing properties comply with the minimum standards regarding the health and safety of the public. The most effective way to seek universal compliance with the minimum standards is through routine periodic inspections of all rental housing properties. Accordingly, it is the intent of the Sacramento city council to enact the provisions of this chapter as the basis for establishing a rental housing inspection program aimed at securing city-wide compliance of rental housing properties with minimum standards. City-
wide compliance will prevent blight and ensure that all persons who live in rental housing units are provided decent, safe and sanitary housing.

Examples of housing units covered by this chapter include apartment units, condominiums, duplexes and single-family houses. This does not include units used for transient lodging such as dormitories, group homes, rooming or boarding houses, hotels, motels, and bed and breakfast inns.

8.120.040 Exemptions.
A. Unless otherwise specified in this section, the following rental housing units shall be exempt from the requirements of this chapter:

For purposes of this chapter, a unit has been newly constructed if the city determines that 50% or more of the building has been constructed or replaced within a one-year period. The determination of whether the construction or replacement is at least 50% may be based on the linear length of all existing walls, square footage of the building, percentage of altered construction, actual construction valuation, or any combination of these factors.

8.120.100 Rescheduling an inspection.

After the two
year period, the rental housing property shall become subject to routine inspection in accordance with Article III of this chapter.

Article V. Enforcement

8.120.200 Penalties.
Any person who violates the provisions of this chapter shall be guilty of a misdemeanor. In addition, the city may also impose administrative penalties pursuant to chapter 1.28 and seek injunctive relief and civil penalties in the superior court for violations of this chapter. The remedies provided for in this chapter shall be cumulative and not exclusive of any other remedies available under any other federal, state or local laws.

8.120.210 Collection—Unpaid fees, costs or charges.
A. In addition to any other remedy provided by law, the city may collect any fee, cost or charge imposed pursuant to this chapter that has not been paid within 45 days of notice thereof, by making the amount of the unpaid fee, cost or charge a lien against the rental housing property that is the subject of the fees, costs or charges.

B. A hearing examiner appointed pursuant to section 8.04.070, shall hear all objections to proposed liens, as described in this chapter.

8.120.220 Collection—Notice of proposed lien and hearing.
A. The city shall provide the owner of the property with written notice in plain language of:
   1. The proposed lien;
   2. A description of the basis for the amounts comprising the lien;
   3. The owner’s opportunity to pay the fee, cost or charge within forty-five (45) days after the mailing of the notice;
   4. The owner’s opportunity to appear before the housing code and appeals board and be heard regarding the amount of the proposed lien; and
   5. The procedure for challenging the amount of the proposed lien as set forth in section 8.120.230.

B. The notice shall be mailed by certified mail to the last known address of the owner of the property.

8.120.230 Collection—Objections.
To challenge the amount of the proposed lien, the owner must file an objection with the Community Development Department within ten calendar days from the mailing of the notice. No objection received after that date shall be considered. Each written objection must contain a description of the property that is the subject of the proposed lien and the grounds of the objection.
8.120.240 Collection—Failure to object.
The failure of the owner to file an objection in accordance with section 8.120.230 shall constitute a waiver of the owner’s opportunity to challenge the amount of the proposed lien. If no objection is properly filed, the director shall transmit a report of the proposed lien to the city council.

8.120.250 Collection—Report to hearing examiner, notice.
A. If any objection is timely filed with the Community Development Department, the director shall transmit a report of the proposed lien and the objections thereto to the hearing examiner.
B. Upon receipt of the report, the hearing examiner shall fix a time, date and place for hearing the report, and any objections thereto. The director shall cause notice of the hearing to be mailed by certified mail to the last known address of the property owner at least 30 days prior to the date set for the hearing.

8.120.260 Collection—Hearing before the hearing examiner.
Upon considering the report of the proposed lien and the objections thereto, the hearing examiner shall follow, as nearly as practicable, those procedures that the city council would have followed if it had conducted the hearing. The hearing examiner shall make a written recommendation to the city council which shall include the factual findings based on evidence introduced at the hearing.

8.120.270 Collection—City council.
A. Upon receipt of a report of a proposed lien in accordance with section 8.120.240 or 8.120.260, the city council shall determine whether the proposed lien shall become a lien, and whether the amount of the lien is to be collected at the same time and in the same manner as property taxes are collected.
B. In cases in which a hearing before the hearing examiner has been held, the city council shall adopt the recommendation of the hearing examiner without a hearing, or set the matter for a de novo hearing before the city council. Notice of the de novo hearing shall be provided to the property owner in writing, at least ten days in advance of the scheduled hearing.
C. If the city council determines that the proposed lien shall become a lien, the city council may also cause a notice of lien to be recorded. This lien shall attach upon recordation in the office of the Sacramento County recorder and shall have the same force, priority, and effect as a judgment lien, not a tax lien. The notice of lien shall, at a minimum, identify the record owner or possessor, set forth the date upon which the lien was created against the property, and include a description of the real property subject to the lien and the amount of the lien.
D. If the city council determines that the amount of the lien is to be collected at the same time and in the same manner as property taxes are collected, all laws applicable to the levy, collection, and enforcement of ad valorem taxes shall be applicable to the proposed lien, except that if any real property to which the lien would attach has been transferred or conveyed to a bona fide
purchaser for value, or if a lien of a bona fide encumbrancer for value has been created and attached thereon, prior to the date on which the first installment of taxes would become delinquent, then the lien that would otherwise be imposed by this section shall not attach to real property and the costs of enforcement relating to the property shall be transferred to the unsecured roll for collection.
