**NOTICE OF AVAILABILITY OF THE  
FINAL ENVIRONMENTAL IMPACT REPORT FOR  
THE MCKINLEY WATER VAULT PROJECT (SCH NO. 2017062015)**

As Lead Agency, the City of Sacramento, Community Development Department, Environmental Planning Services, has completed the Final Environmental Impact Report for the McKinley Water Vault project (X14010104).

The document is now available. The Draft EIR was circulated for public review from April 20, 2018 to June 6, 2018. The Final EIR includes all written comments and responses by the City to environmental issues raised in the comments, as well as revisions to the Draft EIR based on responses to comments or staff-initiated changes. None of the information included in the Final EIR is significant new information and recirculation of the Draft EIR is not required. CEQA Guidelines section 15088.5.

A printed copy of the Final EIR is available for review at the Community Development Department, 300 Richards Boulevard, Third Floor, Sacramento, California 95811, between 9:00am and 4:00pm (except weekends and holidays). The document is also available for review at the Sacramento Public Library, Clunie Center Branch.

The Draft EIR and Final EIR are available for review online at the City's Community Development Department, environmental documents webpage at the following link:
