Ordinance # 85-076
July 30, 1985

SACRAMENTO REGISTER OF HISTORIC AND CULTURAL RESOURCES

2.2.11 C Street Commercial Historic District

This small block face of structures is visually related in terms of scale, style and materials. The structures are not individually distinguished architecturally but are attractive representatives of the commercial buildings of the 1920 era. The grouping portrays an unusually cohesive block face with few, if any, alterations.

The boundaries of the district are well defined by vacant land and new construction.
