

2.2.22 Memorial Auditorium Historic District

Ordinance # 85-076
July 30, 1985

SACRAMENTO REGISTER OF HISTORIC AND CULTURAL RESOURCES

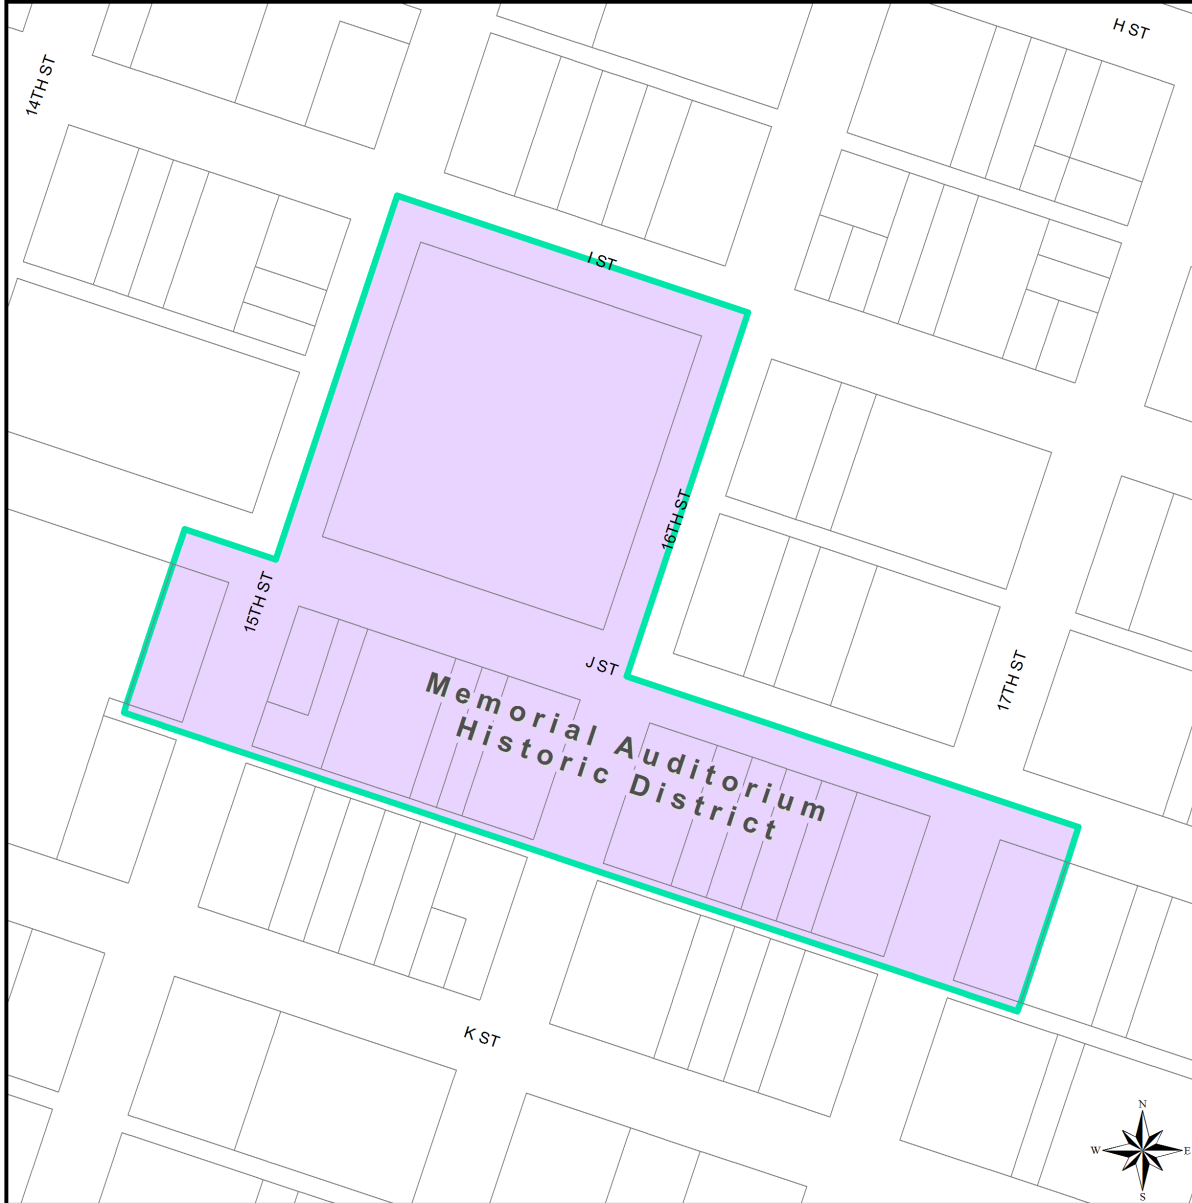

Memorial Auditorium Historic District

This District essentially constitutes the Memorial Auditorium, the block face opposite the Auditorium, to the south, and the half block to the east on the south side of J Street. The scale and materials of some of the structures strongly contribute to the Auditorium. Some portions of the streetscape are minimally intact but the District could be increasingly supportive of the Memorial Auditorium if it were rehabilitated sensitively in the future.

The boundaries are defined by new construction, parking lots and non-contributory older buildings.
