<b>Description:</b> EXPEDITED - Proposal for a remodel and addition on an existing two-story single-unit dwelling. The proposal is for the addition of 944 square feet habitable and 177 square feet for (2) patios to an existing 1,817 square foot home and a remodel of the covered entry at the front of the house and the covered patio in the rear yard. The exterior work will include replacing lap siding with stucco, converting a flat roof into a pitched roof, and providing new metal railing on the upper level covered balcony, double hung vinyl windows, and shed roofs with corbels on the front and rear entries.
