<b>Description:</b>	EXPEDITED - EPC Submittal - remodel of 96 SF of space within the existing sterile processing area of the Outpatient Surgery Services building to create a vestibule for access to the temporary sterile processing trailer (to be installed by others). The remodel includes the installation of two exterior access doors, one from the sterile processing area and one from the decontamination area. Both doors are for exclusive access to the sterile processing trailer and are not for public use.				
	The vestibule will consist of one exterior door with card reader access and a powered door auto-opener and one interior door from the vestibule into the sterile processing area. The decontamination area will have a new exterior access door with card reader access and a powered auto-opener.				
	The decontamination area will also install a new 3-compartment sink and replacement/relocation of the existing 3-compartment sink from another project to replace the existing 3-compartment sink to be removed.

<b>Description:</b>	EPC Submittal - New Commercial Building - Alpha Pacific Engineering & Contracting (APEC) the property owner would like to construct a warehouse and an office inside the warehouse. The current site is a vacant land with fence around the property. The warehouse will be 60' x 100' prefabricated engineering metal building. Exterior color of the building will be grey, similar to the existing prefabricated metal building in the next property on the East side. The office inside the metal building will be two-story office, with each floor space of approx. 40' x 25'. There will be 1 restroom inside the office space. APEC proposes to pave AC pavement in the front of the building for parking and driveway, and leaves the back space for yard space with crushed rock surfacing. APEC proposes will install the front and back fence with 6' high iron fence, and plant 5 Querus Agrifolia (24" box) in the landscaping and parking areas. A storm drain with 2 catch basins will be installed and tied to existing storm drain line on Morrison Creek Drive.
