Candidate Statement:

This community is my home. I was born and raised here. Attended Rio Linda High School. My husband, Phil, and I raised our two sons here. We are active – coaching soccer, NLL scorekeeper, and team parents!

Natomas must continue to move forward. Like many of my neighbors, I am concerned about the direction this city is taking with homelessness and crime.

As the daughter of a Sacramento Police officer, I am committed to keeping our community safe. I want to see more wrap-around services for those suffering on our streets, but we need to push for better partnerships with the county and new policies to enforce the anti-camping ordinance to clean up our streets.

Working in the real estate industry for over 20 years provided me with a wealth of knowledge. I've loved helping families achieve the American Dream! As the current President of the Natomas Chamber of Commerce I also pride myself on helping businesses build their brand and pivot their way out of the pandemic, but we need to invest more in our area to ensure that businesses can thrive.

I would be honored to have your vote for City Council. Learn more about my campaign at www.lozanosforSacramento.com.
