### Candidate Statement:

As a Natomas School Board Member, parent, and small business owner, I'm passionate about building coalitions of people who work together to solve problems. With your vote, I'll use my experience as a leader to deliver results for District 1.

For 25 years, I've called Sacramento my home. I'm a practicing education attorney, PTA mom, Girl Scout leader, and "Walk to School" volunteer. My mother and grandmother instilled in me the importance of giving back, keeping my word, and investing in our shared community. As a parent, I'm passing those values on to my children.

Under my leadership, Natomas added rigorous educational programs, prioritized student safety, increased graduation rates, ensured hungry kids and families had food, expanded mental health services, housed homeless students, constructed schools next to parks, secured critical funding for the North Natomas Aquatic Complex, and balanced our budget.

As your Councilwoman, I'll fight to keep our city and schools thriving, strengthen community policing, invest in small businesses, partner with schools to increase extracurricular opportunities, expand housing affordability and work with all levels of government and community partners to address homelessness.

Join community leaders, small business owners, parents, and teachers in supporting my candidacy. Let's get to work! [www.kaplan4council.com](http://www.kaplan4council.com)
