### Candidate Statement:

Our community deserves better opportunities and our fair share of investments from the city. My priorities are public safety, equitable economic development, and improving our community's quality of life. I know how city hall works and I'm ready to work on day one.

I serve as President of the Sacramento County Board of Education, am a Member of the Sacramento Public Library Authority Board, and am a small business owner. It has been my privilege to serve as Chief of Staff to the Vice Mayor, working at Sacramento City Hall for four years serving Natomas.

I am the daughter of immigrant farmworkers and a graduate of UC Davis. After college, I went to Washington DC to work on a White House initiative to close the educational achievement gap among our students. I helped lead a \$172 million dollar school bond for Natomas Unified, helped recruit a hospital, medical school, large retail center, and the City's first hotel conversion for families experiencing homelessness.

My experience and coalition-building will drive progress in our district. I have the support of Senator Dr. Richard Pan, Supervisor Phil Serna, Mayor Darrell Steinberg, Vice Mayor Angelique Ashby, and former Mayor Heather Fargo. Please join teachers, firefighters, police, and community leaders in voting for me for Sacramento City Council. I would be honored to have your vote.
