Candidate Statement:

South Sacramento has been my home since 1993. This community uplifted me in my times of need as a single father raising a son. This summer, he will receive his master's degree from the Walter Cronkite School of Journalism at Arizona State University. It wouldn't be possible without this community. South Sacramento stepped up for me, and I plan to continue giving back. My experience is what makes me the right choice for city council. While I was an intern for a councilmember for three years, I learned the ins and outs of how to be a councilmember. In 2015, I completed the Sacramento City Planning Academy and the year after the Sacramento City Manager's Academy. Those two accomplishments gave me the knowledge needed to play a significant role in bringing a grocery store to South Sacramento, where there is a food desert.
