

Name of Candidate: **Caitlin Maple**
Office Sought: **District 5**
Age (*optional*):
Occupation: **Nonprofit Director/Businesswoman**

Candidate Statement (200 word limit):

I have lived in Sacramento nearly all my life and I love this city, but over the last decade I have seen it change in ways that are deeply concerning.

It is impossible to ignore that our streets are lined with tents and human suffering, that housing has become unattainable, that our youth are losing their lives to gun violence, and that many residents are struggling to make ends meet.

I decided to run for office because I recognize that the status quo is not working and that we need fresh, bold leadership to solve the issues we face. We need a new deal for District 5.

As a small businesses owner and nonprofit director with years of experience successfully navigating government, I plan to put those skills to work for you. I will fight for thousands of new affordable units to ease our housing crisis, real collaborative solutions for homelessness, partnerships with community organizations that have a track record of reducing gun violence, and apprenticeship programs to bring high-paying jobs to our communities.

I would be honored to earn your vote. You can learn more about the new deal for District 5 at www.caitymaple.com.
