   **Location:** Citywide
   **Recommendation:** Review and Comment on the Annual Funding Process
   **Contact:** Ilee Muller, Administrative Analyst, (916) 808-1022, Youth, Parks, & Community Enrichment

Commission Staff Ilee Muller provided an overview of a previous Commission discussion during the meeting on May 16, 2018 and review of the annual funding process. Commission Members discussed the need for clarification on various aspects of the application process,
evaluation of program proposals, and funding award amounts. Commissioners discussed the merits of formalizing the process by which it allocates funds into a regulation, subject to review and approval by the City Council. The President named an ad hoc committee to work with staff to come up with recommendations for a proposed regulation to submit to the commission for discussion and adoption. Commission Members Boniwell, Leary, MacIntosh, and Maple were designated to form the ad hoc committee.

Issue: The Ann Land and Bertha Henschel Commission is responsible for the disbursement of income of the Ann Land Memorial Fund and the Bertha Henschel Memorial Fund for the benefit, aid, and assistance of the destitute men, women, and children of the City in such a manner as may be deemed proper and beneficial.

The Commission allocates funds through an annual grant process and holds a funding meeting every November. Applicants are required to be present to be considered for funding. The President of the Commission named an Ad Hoc Committee to work with staff to review the grant funding process and bring a recommendation to the Commission for further discussion.

Policy Considerations: The Commission may establish a new funding procedure by formally adopting it as a regulation (see City Code § 2.64.100 [directing the Commission to “adopt rules and regulations for its government and for the performance of its duties”]) and submitting it to the City Council for review and approval (see City Code § 2.64.040 [providing that the commission “shall at all times be under the supervision and control of the city council”]).

Economic Impacts: None

Environmental Considerations: None

Sustainability: None

Commission/Committee Action: None

Rationale for Recommendation: It is within the Ann Land and Bertha Henschel Commission’s authority to decided how to distribute funds to the destitute men, women, and children of the City, subject to the City Council’s supervision. (City Code §§ 2.64.040, 2.64.150.A, 3.48.020).

Commission Priorities

The Ann Land and Bertha Henschel Memorial Fund Commission ("Commission") establishes an ongoing strategic planning process by which it translates its purpose and values into actionable and measurable priorities for its support of Sacramento residents. This document outlines long-term strategic priorities for the Commission as well as the process by which the Commission determines annual funding priorities.

Strategic Priorities

Every four years, the Commission will engage in a comprehensive, data-driven review to update its Strategic Priorities. Data gathering may include input from:

- Community health needs assessments
- Sacramento strategic plans and City Department planning documents
- Presentations by City staff of various departments on issues relevant to the City
- Feedback from community and stakeholder representatives
- Feedback from recipient of Commission fund awards

The Commission’s Strategic Priorities is an overarching document which ensures alignment with the Commission’s primary purpose as well as City strategic initiatives. This document provides a foundation for members of the Commission to organize and utilize their experience, expertise and knowledge of the needs of Sacramento’s communities.

Annual Funding Priorities

At the beginning of each calendar year, the Commission sets its Annual Funding Priorities for the following year. The Annual Funding Priorities is a living document which is consistently re-evaluated to assess grant processes and outcomes. This living document gives the Commission members and staff a clear roadmap to help focus energies on priority areas so that projects are implemented in a balanced way.

Target Population

The Ann Land and Bertha Henschel Memorial Fund Commission directs its support to assist the destitute men, women, and children of Sacramento. Destitution is a multi-dimensional concept, with three main components: economic, social, and political powerlessness. Destitution is defined as a state of extreme poverty experienced by poor and vulnerable households that are not able to meet their minimum subsistence needs, lack access to the key productive assets needed to escape from poverty, and are dependent on public or private assistance.*

Based on Abraham Maslow’s Hierarchy of Needs**, the most basic needs for physical survival are divided into two categories, physiological needs and safety needs. Physiological needs encompass biological requirements for human survival; if these needs are not satisfied the human body cannot function optimally. Safety needs are defined as protection from the elements, security, order, law, stability, and freedom from fear. The Commission will provide support for the physiological and safety needs of destitute men, women, and children of Sacramento.

**Online Application Available:**

**Monday, August 26, 2019**

**Application Deadline:**

**Monday, September 23, 2019 at 5pm**

All applications shall be submitted via the online application process. Applicants must submit their application by the date of the Application Deadline to be considered for a grant award.

Once applications are received, ALBHMF staff will review for completeness and ensure all required documents are attached. Staff will provide notice to applicants to submit any missing documentation by the Application Internal Review Deadline: **Monday, October 28, 2019 at 5pm**. Beyond submission of documents for completeness, no amendments to application content will be accepted.

**Purpose:** The purpose of the Ann Land and Bertha Henschel Memorial Fund is to assist the destitute men, women, and children of the City of Sacramento.

**History:** The Ann Land Memorial Fund was established in 1914 with a bequest of $200,000 to the City by former Mayor William Land as a memorial to his mother, Ann Land. In 1952, Bertha Henschel bequeathed $275,000 to the City to establish a fund in her name. Additional contributions to these funds have been made by Emma Hotfilter, Annie Zacariah, and Warren Reed. Each year, interest earnings on these bequests and contributions may be distributed to non-profit organizations. The Sacramento City Council appoints community members to the Ann Land and Bertha Henschel Memorial Fund Commission to review grant applications and award grants to qualified non-profit organizations.

**Funds Available**

For 2019, the Ann Land and Bertha Henschel Memorial Fund Commission has approximately **$143,000** in funds to distribute to organizations that provide “direct aid and assistance to the destitute men, women, and children of the City of Sacramento.” Funds are limited, and demand is high. On average, the Commission awards between 12 to 20 grants annually.

Last year’s average award was **$6,040**. The Commission anticipates an increase in applications this year, so the average award may be lower.

**Eligibility**

Only non-profit 501(c)(3) organizations that have an office or facility within the City of Sacramento and serve destitute residents of the City are eligible to apply.
