Calling all Sacramento Community Members: Here is Your Chance to Shape Sacramento!

The City of Sacramento is recruiting qualified community members to apply to serve on the City of Sacramento Independent Redistricting Commission (SIRC). Applications are due by May 1, 2020 at 5:00PM.

In 2021, the newly formed 13-person independent redistricting commission will be tasked with redrawing city council district boundaries. The process begins every ten years, after the U.S. Census, but this is the first time members of the independent redistricting commission will, with public input, decide and draw the final city council district lines.

Check the website for the full qualifications, see if you meet the requirements, and apply. Help us ensure that the shape of Sacramento’s districts are defined by community members who understand and represent the city’s diverse neighborhoods.

Serve your city! Learn more and apply at redistricting.cityofsacramento.org.
