

## Free Water Wise Programs for Multi-Family Property Owners

### Free Water Wise House Calls

The City of Sacramento Department of Utilities offers several programs to help you save water including a rebate program for multiple improvements around your property. Water Conservation staff will visit your property and:

- Review your sprinkler timer.
- Bring free water-saving tools like WaterSense high-efficiency showerheads.
- Help pre-qualify you for available rebates!

To schedule your FREE Water Wise House Call, call 311 or (916) 264-5011

### Re-Do the Loo Assistance Program

Eligible multi-family dwellings, located within designated disadvantaged communities in Sacramento, can apply for a \$250 rebate per toilet to replace older, pre-1992 toilets.

## Contact Us

Visit [SacWaterWise.com](http://SacWaterWise.com) for the latest updates on rebate programs and services. For more information:

- Call 311 or (916) 264-5011
- E-mail [311@cityofsacramento.org](mailto:311@cityofsacramento.org)
- Visit [SacWaterWise.com](http://SacWaterWise.com)

**Remember:** Overwatering, ponding water and runoff (water running from yards onto sidewalks and gutters) is NEVER allowed. Call 311 to report water misuse or for more information about free waterwise services and rebates.

# Water Wise Rebates to Help Multi-Family Property Owners Save Water

City of  
**SACRAMENTO**  
Department of Utilities

# Made Possible By: Rebates!

The City of Sacramento Department of Utilities offers Water Wise Rebates to multi-family property owners and managers. The available rebates make water efficiency upgrades more cost effective and help you and your tenants **Keep Sacramento Water Wise**.

## Outdoor Rebates

**Turf Conversion**   
**UP TO \$50,000**  
**(\$1.50 PER SQUARE FOOT)**

Replace your property's thirsty front, back and side lawn with beautiful low water-use plants and drought tolerant landscape.

**Irrigation Upgrades**   
**UP TO \$50,000**

Upgrade your property's irrigation system to drip or high-efficiency sprinklers. Excludes any lawns replaced through the Turf Conversion program.

**Smart Controllers**   
**UP TO \$700**

Install EPA WaterSense labeled irrigation controllers to water your property landscape efficiently.

**Start Saving Today!**  
Apply for these rebates at  
**SacWaterWise.com.**

## Indoor Rebates

**High-Efficiency Toilets**   
**UP TO \$125 PER TOILET**

Replace your older PRE-1992 toilet with a new high-efficiency toilet (1.28 gallons per flush or less).

**High-Efficiency Washing Machine**   
**UP TO \$125**

Purchase a Tier III High-Efficiency Clothes Washer to save water, energy, and get cash back.

## To Qualify for These Programs and Services:

- Applicants must be City of Sacramento water service customers, property owners, or bill-paying tenants with written consent from the property owner.
  - Rebates are available on a first come, first served basis until funding is depleted.
  - Up to \$50,000 in rebates, while funds last, to be used toward turf conversion and/or irrigation upgrades.
- Visit [SacWaterWise.com](http://SacWaterWise.com) to review applications and eligibility requirements prior to purchasing appliances or equipment.

**Our rebates help you achieve a picture perfect landscape!**
