**Re: Proposed Fire Prevention Fee Increase**

Greetings,

This notification is the beginning of our outreach effort regarding a proposed increase to the Fire Prevention fees. These fees have not been increased since 2009 and are necessary to continue to provide effective fire prevention services to the community as mandated by state and local code. During this process, a copy of the proposed fees has been posted on the Sacramento Fire Department's website: [www.sacfire.org](http://www.sacfire.org).

The Fire Department anticipates bringing the proposed fees to the Sacramento City Council for adoption in September. Based upon expected interest from our stakeholders, workshops have been scheduled to discuss the proposed fee increase. The workshops will be held on 8/31/2017 at 2:00 PM and 9/7/2017 at 6:00 PM. Both meetings will be held at the Public Safety Center, Hall of Honor, located at 5770 Freeport Blvd, Sacramento.

Should you have any questions, comments, or concerns please contact the Fire Prevention Division by telephone: (916) 808-1620, or by email: [prevention@sfd.cityofsacramento.org](mailto:prevention@sfd.cityofsacramento.org). Your feedback is welcomed.

Sincerely,
