

Central Valley Region

Meet our Network of Physicians

The Central Valley Network is made up of **Sutter Gould Medical Group physicians and independent physicians in the Central Valley via our Community Provider Network who practice in Lodi, Stockton, Tracy, Modesto, Ceres, Turlock and Patterson.** The Sutter-affiliated medical group and contracted community physicians work together to meet your medical needs. By choosing a Central Valley Network physician you gain access to Memorial Medical Center, Modesto, Sutter Tracy Community Hospital, St. Joseph's Medical Center and Dameron Hospital.

For more information about our network providers, please visit sutterhealthplus.org/providersearch. SHP's provider search tool allows you to search for a doctor who fits your life and needs. Doctors meeting your search criteria are presented in alphabetical order by last name, by geographic proximity if a zip code has been used as a search criterion.
