Travel Assistance

WHAT IT IS:

Travel Assistance is available through group insurance products provided by Standard Insurance Company (The Standard). The service is provided by Assist America, Inc.

Travel Assistance can help employees and their families prepare for trips and during critical situations while away from home. The program can assist participants with finding qualified medical providers, legal services or with the replacement of lost credit cards and passports.

WHAT IT’S NOT:

Travel Assistance is not travel insurance. Travel Assistance provides specific support services while traveling. Travel insurance provides monetary compensation for losses that occur while traveling.

This document explains what Travel Assistance covers and how employees can use it. Contact Assist America for additional details and questions.
