PREAMBLE

This AGREEMENT, hereinafter referred to as the Agreement, entered into by the CITY OF SACRAMENTO, hereinafter referred to as the City, and the AUTO, MARINE AND SPECIALTY PAINTERS UNION NO. 1176, AFL-CIO, hereinafter referred to as the Union, has as its purpose the promotion of harmonious labor relations between the City and the Union, establishment of an equitable and peaceful procedure for the resolution of differences and the establishment of rates of pay, hours of work, and other conditions of employment.

ARTICLE 1 – RECOGNITION

1.1 RECOGNITION

a. The City hereby confirms its prior certification of the Union as the recognized employee organization for the employees in the Traffic Engineering Unit, as defined in the City's Employer-Employee Relations Policy. The City agrees to meet and confer and otherwise deal exclusively with the Union on all matters relating to the scope of representation pertaining to the said employees as provided under the City's Employer-Employee Relations Policy and authorized by law.

b. The Union will not object to the State Mediation and Conciliation Service or the American Arbitration Association conducting any election pursuant to the City's Employer-Employee Relations Policy.

ARTICLE 2 – ENTIRE AGREEMENT

2.1 ENTIRE AGREEMENT

a. This Agreement, upon ratification by the City Council, supersedes and cancels all prior practices and agreements whether written or oral, unless expressly stated to the contrary herein, and constitutes the complete and entire agreement between the parties and concludes negotiations for its term.

b. The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the scope of representation and that the understanding and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the City and the Union, for the duration of this Agreement and any extension, each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated, to negotiate with respect to any subject or matter, whether or not referred to or covered in this Agreement even though such subjects or matters may not have been within the

knowledge or contemplation of either or both of the parties at the time they negotiated or signed this Agreement.

c. This Article shall not be construed so as to prevent the parties from mutually agreeing, in writing, to reopen a provision or provisions in this Agreement, so long as reopened provisions are specified in the parties' mutual reopened agreement and other provisions in this Agreement continue in full force and effect.

ARTICLE 3 – CITY RIGHTS

3.1 CITY RIGHTS

The City retains the exclusive right, subject to and in accordance with applicable laws, regulations, and the provisions of this Agreement, (a) to direct employees in the performance of their duties; (b) to hire, promote, transfer and assign employees; (c) to classify employees in accordance with applicable City Charter, ordinance and Civil Service Board Rule provisions; (d) to discipline employees in accordance with applicable rules; (e) to dismiss employees because of lack of work, or funds, or for other reasonable cause; (f) to determine the mission of its Divisions and Departments, its budget, its organization, the number of employees, and the numbers, types, classifications and grades of positions or employees assigned to an organization unit, work project, shift or tour of duty, and the methods and technology of performing its work; and (g) to take whatever actions that may be appropriate to carry out its mission in situations of emergency.

ARTICLE 4 – UNION RIGHTS AND PAYROLL DEDUCTIONS

4.1 PAYROLL DEDUCTIONS

a. In addition to continuing existing payroll deductions under plans to which the City now is or shall hereafter be a contracting party, the City agrees to establish payroll deductions for members of the Union for (a) the normal and regular monthly Union membership dues, and (b) monthly insurance premiums for plans sponsored by the Union and open to all its members.

- b. All the above payroll deductions shall be subject to the following conditions:
- (1) Such deductions shall be made pursuant to the terms and conditions set forth in authorization forms approved by the City.
 - (2) Such deductions shall be made only upon submission to the Benefits Section, Department of Human Resources, of the said authorization form duly completed and executed by the employee and the Union.

- (3) Any changes, additions and/or deletions of any payroll deductions or any deductions for employees shall be made only upon submission to the Benefits Section, Department of Human Resources, on or before the fifteenth (15th) day of the month preceding the month for which such changes, additions and/or deletions are to be executed on the form designated by the City and duly completed by the Treasurer of the Union or his/her designated agent.
- (4) The Union agrees to indemnify, defend and hold the City harmless against any claims made of any nature whatsoever, and against any suit instituted against the City arising from its deductions for dues or insurance sponsored by the Union.
- (5) The City will remit to the Union a check for all of the deductions.

4.2 AGENCY SHOP

a. General

- (1) As a condition of continued employment, all career employees who are paid one or more hours salary (including injury-on-duty time under the City Charter) during a bi-weekly pay period, and all non-career (+1,040) employees who are paid forty (40) or more hours salary during a bi-weekly pay period shall be a member of the Union or pay an agency shop service fee to the Union in an amount determined as set forth in subsection (b) below.
- (2) No employee shall be required to pay the service fee during the first sixty (60) calendar days of employment.
- (3) If the employee transfers out of the Traffic Engineering Unit, the employee must notify the Department of Finance, Payroll Section, to stop payroll deductions for union dues or agency shop fees. The City and Union will not reimburse employees for dues paid after transferring out the Unit.
- (4) The provisions of this Section shall remain in effect during the term of this Agreement and any mutually agreed upon extension of that term.

b. Service Fee

The service fee required in subsection (a) shall be an amount not to exceed the Union's uniformly-applied standard initiation fee, periodic dues and general assessments. In computing such amounts, the Union shall exclude expenditures for members' only benefits and Union expenditures for political and ideological purposes unrelated to collective bargaining, contract administration and grievance adjustment. Any

dispute as to the service fee or the amount thereof shall be directed solely to the Union, and the City shall not be a party to the dispute.

Both the service fee and the Union dues may be paid to the Union through payroll deductions as set forth in Section 4.1. There is no obligation on the part of the City to provide payroll deduction for the three (3) organizations listed in subsection (c).

c. Religious Objection

Any employee otherwise required to pay a service fee under this Section, and who is a member of a bona fide religion, body or sect which has historically held conscientious objections to joining or financially supporting public employee organizations shall not be required to join or financially support any public employee organization as a condition of continued employment. Such an employee shall be required as a condition of continued employment, in lieu of the service fee, to pay a sum equal to the service fee otherwise payable under this Section to a non-religious, non-labor charitable fund exempt from taxation under Internal Revenue Code Section 501(c)(3). Upon request of the Union, such employee shall be required to submit to the Union proof of payment of the in-lieu-of service fee. For purposes of this Section, such employees shall choose from the following three (3) organizations:

March of Dimes
United Way
Firefighters Burn Institute

Employees claiming a religious exemption shall be required to file a written statement under oath or affirmation with the Union, which identifies the religious organization by name, if any, and which provides in detail that the employee and the organization meet all of the requirements for claiming the religious exemption.

d. Disclosure and Reporting

The Union shall keep an adequate itemized record of its financial transactions and shall make available annually, to the City and to the employees covered by this Section within sixty (60) days after the end of its fiscal year, a detailed written financial report thereof in the form of a balance sheet and an operating statement, certified as to accuracy by its president and treasurer or corresponding principal officer, or by a certified public accountant. The Union, if required to file financial reports under the Labor-Management Disclosure Act of 1959 covering employees governed by this Agreement, or if required to file financial reports under Section 3546.5 of the Government Code, shall instead provide the City with a copy of such financial reports.

e. Hold Harmless

The Union shall promptly refund to the City any amounts paid to the Union in error under this Section.

The Union expressly agrees to indemnify and hold the City harmless from any and all claims, demands, costs (including any costs incurred by the City in defense of a lawsuit), expenses, damages or other monetary losses arising out of or in any way connected with any action or inaction of the City in the adoption or administration of this Section. This hold harmless and indemnity agreement shall include but not be limited to employee legal actions of any sort or nature against the City based upon or related to this Section. Further, in the event that the City undertakes disciplinary action against an employee pursuant to this Section, this hold harmless and indemnity agreement shall cover all costs and expenses, including any costs incurred by the City in defense of a lawsuit.

f. Change of Law

In the event there is a change in the law whereby any provision hereof becomes invalid or if for any reason any provision of this Section is rendered unlawful by any published appellate court decision, this Section shall be forthwith deemed amended to comply with the change or decision in question.

g. Discipline Procedure

No employee shall be terminated under this Section unless:

- (1) The Union first has notified the employee by letter, explaining that he/she is delinquent in not tendering the required service fee, or payment in lieu of service fee pursuant to subsections (c) and (d) above, specifying the current amount of the delinquency, and warning the employee that unless such service fee, or payment in lieu of service fee, is tendered within thirty (30) calendar days, the employee will be reported to the City for termination as provided in this Section; and
- (2) The Union has furnished the City with written proof that the procedure of subsection (1) above has been followed, or has supplied the City with a copy of the letter sent to the employee and notice that he/she has not complied with the request. The Union must further provide, when requesting the City to terminate the employee, the following written notice:

"The Union certifies that (employee's name) has failed to tender the agency shop service fee, or payment in lieu of service fee, required as a condition of employment under this Agreement and that under the terms thereof, the City shall terminate the employee."

No employee who is on injury-on-duty time under the City Charter shall be terminated under this Section.

h. Duty of Fair Representation

The Union shall accord fair representation in all matters to all employees in the Unit without regard to whether the particular employee is a member of the Union. The duty of fair representation shall include but not be limited to all matters related to collective bargaining, discipline, contract administration, and grievance processing.

i. Employee Rights

Employees covered by this Agreement shall have all rights specified in Government Code Section 3502.5(b).

ARTICLE 5 – GRIEVANCE PROCEDURE

5.1 GRIEVANCE PROCEDURE

The City and the Union agree to implement the following grievance procedure.

No matter shall be considered as a grievance under this Article unless it is presented in writing within thirty (30) calendar days after occurrence of the events on which the grievance was based. With the consent of the City's third step representative the thirty (30) day time limit for filing grievances may be extended.

5.2 PURPOSE

a. This grievance procedure shall be used to process and resolve grievances arising under this Agreement except to the extent that the City Charter vests jurisdiction elsewhere.

b. The purposes of this procedure are:

- (1) To resolve grievances informally at the lowest possible level;
- (2) To provide an orderly procedure for reviewing and resolving grievances promptly.

5.3 DEFINITIONS

a. A grievance is a good faith complaint of one or a group of employees, or a dispute between the City and the Union involving the interpretation, application, or enforcement of the express terms of this Agreement.

b. As used in this procedure, the term "supervisor" means the individual who assigns, reviews and directs the work of an employee.

c. As used in this procedure the term "party" means an employee, the Union, the City, or their authorized representatives.

d. The employee retains all rights conferred by Sections 3500 et. seq., of the Government Code or Civil Service Board Rules and Regulations of the City unless waived by such employee.

5.4 STEP ONE

a. An employee who believes he/she has cause for grievance may contact his/her supervisor alone or with his/her Steward. If after discussions with the supervisor, the employee does not feel the grievance has been properly adjusted, the grievance may be reduced to writing. The grievance statement shall include the following:

- (1) A statement of the grievance clearly indicating the question raised by the grievance and the article(s) and section(s) of this Agreement.
- (2) The remedy or correction requested of the City.
- (3) The grievance form shall be signed by the grieving employee, the date and time of presentation affixed thereto, and signed as received by the employee's Division Head.

b. The grieving employee's Division Head, or his/her designee, shall give his/her answer to the grievance in writing within five (5) standard workdays from the time he/she receives the grievance in writing. This first step answer shall include the following:

- (1) A complete statement of the City's position and the facts upon which it is based.
- (2) The remedy or correction which has been offered, if any.

5.5 STEP TWO

The appeal to the second step will be made within five (5) standard workdays. The hearing of the grievance will be held within five (5) standard workdays of the second step appeal. The Union representative and the designated departmental representative will meet in an effort to settle the matter. The City's answer will be made five (5) standard workdays after the hearing is held. The employee has five (5) standard workdays to determine whether or not to appeal the grievance to the third step.

5.6 STEP THREE

a. The Union's representative and the designated representative of the City will meet to hear the grievance appealed to the third step. Grievance appealed to the third step of the grievance procedure shall be heard within ten (10) standard workdays after the appeal to the third step of the grievance procedure.

b. A written answer will be made within ten (10) standard workdays after the hearing, stating the City's position.

5.7 ARBITRATION

a. If the third step answer is not satisfactory to the employee, the Union may appeal the grievance to arbitration. The request for arbitration must be given in writing to the designated City representative by the Union within ten (10) standard workdays from the date of the third step answer.

b. An arbitrator may be selected by mutual agreement between the Union representative and the City's representative.

c. Should the representatives fail to mutually agree on an arbitrator they shall make a joint request to the American Arbitration Association for a list of five (5) qualified arbitrators. The parties shall each strike two (2) names from the list and the remaining person shall be accepted as the arbitrator. The first party to strike will be determined by the flip of a coin.

d. It is understood that the arbitrator will only interpret this Agreement and will in no instance add to, delete from, or amend any part thereof. The arbitrator's decision shall be final and binding on the City, the Union and the employee.

e. All fees and costs will be borne by the party losing the arbitration.

f. Either party to this Agreement shall, upon receipt of a written grievance, have the right to refuse to handle such grievance if the aggrieved party has not followed the steps outlined in this Article for processing a grievance.

g. If the City fails to respond to a grievance within the time limits specified for that step, the grievant shall have the right to appeal to the next step.

h. A Steward or a Union representative shall have the authority to settle grievances for the Union or employees at the respective steps of the grievance procedure.

5.8 TIME LIMITS

Each party involved in the grievance procedure shall act quickly so that the grievance may be resolved promptly. Every effort should be made to complete action within the time limits contained in the grievance procedure, but with the written consent of both parties the time limitation for any step may be extended.

5.9 WITNESSES

The City agrees that employees shall not suffer loss of compensation for time spent as a witness at an arbitration hearing held pursuant hereto. The Union agrees that the number of witnesses requested to attend and their scheduling shall be reasonable.

ARTICLE 6 – SALARY ADJUSTMENTS

6.1 SALARY ADJUSTMENTS

a. Employees with an original hire date before April 14, 2015, and for the remainder of their continuous employment with the City, shall remain on an eight (8) step salary schedule with five percent (5%) between steps.

b. Employees with an original hire date on or after April 14, 2015, and for the remainder of their continuous employment with the City, shall have a fifteen (15) step salary schedule with two and one-half percent (2-1/2%) between steps.

c. Both salary schedules shall have the same top step.

6.2 SALARIES

a. 2017-2018

(1) Effective December 23, 2017, all salary steps shall be increased by two percent (2%).

(2) Career employees who are on the payroll on December 23, 2017, shall be paid \$800; payment to be made on the paycheck issued on January 16, 2018.

b. 2018-2019

(1) Effective December 22, 2018, all salary steps shall be increased by two percent (2%).

ARTICLE 7 – SALARY ADMINISTRATION

7.1 ORIGINAL APPOINTMENT COMPENSATION RATE

The rate of compensation upon appointment shall normally be Step 1, as applicable. However, if the City Manager or designee finds that the appointee has extraordinary qualifications, or that a higher step is necessary in order to recruit, appointment at any step in the range may be made. This provision shall apply to original appointments to career positions and appointments to non-career positions.

7.2 ADVANCEMENT IN RATE OF COMPENSATION

a. Advancement in Steps

(1) Upon successful completion of twenty-six (26) weeks (1,040 hours) of service, an employee shall be advanced to the next higher step of

the salary range of the classification. Employees who thereafter maintain a normally satisfactory level of performance shall be advanced automatically at fifty-two (52) week (2,080 hours) intervals to succeeding steps of the assigned salary range.

- (2) Time spent on leave of absence without pay of ten (10) or less consecutive workdays shall not affect the step increase eligibility date. For such leaves in excess of ten (10) consecutive working days, all leave time shall not count toward step increases.
- (3) An employee who has completed the required probationary period in his/her current classification and who is at a salary step lower than top step may be advanced to any higher step in the salary range for that classification at any time. Such step advancement under this provision shall not be subject to the grievance procedure and shall be at the sole discretion of the Department Head.
- (4) This Section shall not apply to non-career employees.

b. Denial of Step Increase and Reduction in Grade

Employees who do not maintain a satisfactory level of performance may be denied advancement, and may be reduced within grade upon approval of the appointing authority. Employees in the civil service who are denied advancement, or who are reduced in grade, shall have the right to appeal to the Civil Service Board in accordance with its rules and regulations. (This subsection shall not apply to non-career employees.)

c. Effective Date of Step Increases/Payroll Changes

All payroll changes shall be effective on the first day of the bi-weekly pay period following the date the employee became eligible for a pay increase, which bi-weekly pay period shall begin at 12:01 a.m. Saturday of the first week, and end at 12:00 midnight on the Friday of the second week.

d. Effective Date of Salary Step Increase Upon Extension of Probationary Period

- (1) If the probationary period is extended due to light duty, sick leave, or injury-on-duty time, the salary step increase will be delayed for the period of the extension. However, the probationary period shall only be extended if the time exceeds thirty (30) consecutive calendar days.
- (2) For an employee in a classification with a six (6) month probationary period who successfully completes the extended probationary period, the period of the extension shall be included in determining the eligibility date for the salary step increase. For example, an

employee is appointed on January 4, 1986, and works in the regular assignment until April 11, 1986. On April 12, 1986, the employee is on injury-on-duty time until July 4, 1986, and returns to the regular assignment on July 5, 1986. The employee successfully completes the probationary period on September 26, 1986. The effective date on the salary step increase is July 5, 1986, because the period April 12, 1986, to July 4, 1986, is included in determining the salary step eligibility date.

- (3) When the probationary period is extended for an employee in a classification with a twelve (12) month probationary period who has successfully completed less than twenty-six (26) weeks of service, the employee shall be eligible for a salary step increase upon successful completion of twenty-six (26) weeks of service, excluding the period of the extension. The period of the extension, however, shall be included in determining the eligibility date for the salary step increase. The effective date of the salary step increase is determined in accordance with the example given above.
- (4) When the probationary period is extended for an employee in a classification with a twelve (12) month probationary period who has successfully completed more than twenty-six (26) weeks of service and who successfully completes the extended probationary period, the period of the extension shall be included in determining the eligibility date for the next salary step increase. The effective date of the salary step increase is determined in accordance with the example given above, except fifty-two (52) weeks is required rather than twenty-six (26) weeks.
- (5) If a probationary period is extended due to an unpaid leave of absence, the period of such extension is excluded in determining the eligibility date for a salary step increase.

7.3 EFFECT OF CLASSIFICATION CHANGE ON RATE OF COMPENSATION

a. Movement to a Higher Classification

When an employee moves from one classification to another which has a higher salary, through examination, appointment to an exempt position, temporary appointment in the absence of an eligible list, or reallocation, the employee shall receive an increase at least equal to a full in-grade salary step (5%) or Step 1, as applicable, of the higher classification, whichever is greater, but not to exceed the maximum rate of the higher classification.

b. Movement to Another Position in the Same Classification or to a Classification With the Same Salary Range

When an employee moves to another position in the same classification or to another classification with the same salary range, the employee shall maintain the same salary and same anniversary date.

c. Movement to a Lower Classification

When an employee's position is reallocated to a classification with a lower salary range, the employee shall suffer no reduction in salary, and the Y-rate provisions of this Agreement shall apply. The salary of an employee who voluntarily demotes shall be that salary step nearest but does not exceed such salary paid in the previous classification.

7.4 EFFECT OF CHANGE OF SALARY RANGE UPON COMPENSATION

Whenever the salary range of a classification is adjusted upward, the salary rate of each employee in the classification shall be adjusted to the step in the new range which corresponds to the step received in the former range, and the employee shall retain the current anniversary date for further increases within the new range.

7.5 RATE OF COMPENSATION UPON RETURN TO CITY SERVICE

a. An employee recalled after layoff, reinstated after a leave of absence, or reemployed in the same classification after resignation shall return to the same salary step paid and shall be credited with the duration of time spent in their salary step paid at the time of departure. The period of time separated from City service shall not be included in the calculation of the anniversary date for future in-grade salary adjustments.

b. If the employee is reemployed after resignation to a classification lower than that in which last employed, the employee may receive any step, but not to exceed the salary of the classification in which last employed. If that step is other than the maximum step of the salary range, the anniversary date for subsequent in-grade adjustments shall be twelve (12) months from the date of reemployment and each year thereafter until the maximum step of the salary range is reached.

7.6 RATES HIGHER THAN TOP STEP (Y-RATE)

Whenever the salary of an employee exceeds top step of the salary range established for a classification, such salary shall be designated as a "Y-rate." During such time as an employee's salary remains above the top step, the employee shall not receive further salary increases, except that upon promotion to a higher classification, the employee shall immediately advance to the step of the range of the higher classification next above the "Y-rate", and be eligible for advancement to succeeding steps in the range as outlined in this Agreement. In the event an employee is "Y-rated" below top step, as

applicable, the employee shall be permitted to advance to the maximum step of the original range.

7.7 SALARY CONTINUATION FOR ABSENCES OF LESS THAN ONE WORK DAY

A salaried employee exempt from the minimum wage and overtime provisions of the Fair Labor Standards Act who works for only a portion of the day shall not have his/her salary reduced that day due to insufficient accrued, usable leave. This provision will apply only to Traffic Supervisors.

7.8 LONGEVITY PAY

Employee eligibility for longevity pay shall be determined as provided in [Section 108 of the City Charter](#). The amount to be paid annually on the second check in July after twenty (20) years of City service shall be one hundred dollars (\$100), and after twenty-five (25) years of City service, an additional two hundred dollars (\$200), for a total of three hundred dollars (\$300).

ARTICLE 8 – HEALTH AND WELFARE

8.1 CONTRIBUTION TO FULL-TIME AND PART-TIME CAREER EMPLOYEES

a. The City shall administer a Cafeteria Plan benefits program for employees consistent with [Internal Revenue Code Section 125](#). The details of Plan eligibility and operational requirements are set forth in Plan documents. The City shall make contributions (City dollars) as defined below. One-half (1/2) of such contributions will be made to eligible employees on each of the first two (2) paydays in a calendar month for insurance coverage the first and second halves of that month, respectively.

b. Eligible employees shall receive a City contribution for each pay period if the employee is paid for twenty (20) or more hours of salary. Employees who are paid less than twenty (20) hours salary per payday may continue elected coverage limited to the City's medical, dental, vision, disability and life insurance plans for up to six (6) months or the period of time permitted by Consolidated Omnibus Budget Reconciliation Act (COBRA), whichever is greater, by personal remittance or other arrangement for payment of the full premiums of any insurance elected to be continued.

c. All terms and conditions of medical, dental, vision, disability, and basic life insurance sponsored by the City will be as outlined in certificates of coverage and related insurance contracts.

8.2 CONTRIBUTION TO NON-CAREER EMPLOYEES

a. The City shall contribute City dollars as provided below, on either a 100% or 50% basis, for non-career (+1,040) employees. Except as provided herein, the City dollars shall be applied toward the premiums for City-sponsored medical, dental, and

vision insurance plans for eligible employees and qualified dependents, if any. The amount of City contribution for each of the first two (2) pay periods of each month shall be based on the budgeted position which the employee fills at the rate of fifty percent (50%) for employees who are .5 FTE up to .79 FTE and at the rate of one hundred percent (100%) for employees who are .8 FTE and higher.

b. To be eligible for City dollars under this Section, a non-career employee must be paid for a minimum of forty (40) hours of work on each payday. If an employee fails to be paid for the minimum forty (40) hours necessary to receive the City contribution, the City shall deduct from the employee's paycheck the amount needed to pay for the insurance plans, which the employee has selected. If this deduction from the employee's paycheck cannot be made in its entirety, it is the responsibility of the individual employee to pay for the remaining amount. To be eligible for this reimbursement, the employee must obtain prior authorization from his/her supervisor before purchasing safety shoes and must submit the receipt to the supervisor to verify the cost and substantiate the reimbursement.

b. The City maintains the right to specify the type of required safety shoe.

ARTICLE 14 – LAYOFF

14.1 PURPOSE

This Article provides the procedure to be followed when an employee is to be displaced/laid off from his/her position.

14.2 DEFINITIONS

a. Layoff

A layoff shall be defined as the dismissal or displacement of at least one employee due to lack of work, lack of funds, abolishment of position, or for other reasons not reflecting discredit on an employee.

b. Seniority

(1) Classification Seniority: Classification seniority shall be defined as the effective date of probationary appointment to the employee's present job classification including any time spent in a higher job classification, but less any time spent in a lower job classification due to a downgrade. The term higher classification shall mean a job classification in which the top rate of pay is greater than the top rate of pay of the employee's present job classification. For any employee who has not served a probationary period in his/her present job classification, or any employee whose position has been reallocated in accord with applicable Civil Service Rules, classification seniority shall be mutually established by the City and the Union. For those classifications which have flexible staffing as defined in the Civil Service Rules and provided for in the classification specifications, classification seniority shall be defined as the effective date of probationary appointment to the lowest classification in the classification series.

(2) City Service Seniority: City service seniority shall be defined as the effective date of appointment to the employee's first permanent career position, or as the effective date of appointment to the employee's first full-time position (or positions) which immediately preceded an appointment to a permanent career position, whichever is greater.

For a part-time career employee, City seniority shall be prorated.

(3) Hire Date Seniority: Hire date seniority shall be defined as the employee's first date of hire to any position with the City.

(4) Seniority Adjustments: Classification seniority and City service seniority shall be adjusted (reduced) in calendar days to reflect time spent on layoff from City service.

(5) Termination of Seniority: Termination of classification seniority and City service seniority shall occur upon:

- (a) Resignation, except that any employee who is reemployed and completes a probationary period, if any, in the position to which he/she was reemployed may count the seniority which he/she accumulated prior to resignation.
- (b) Discharge.
- (c) Retirement.
- (d) Layoff in excess of two (2) consecutive years out of the City service.
- (e) Failure to comply, report, or respond to a recall notice within fourteen (14) calendar days from the date of postmark on the recall notice.

c. Downgrade

A downgrade shall be defined as a change in job classification to which the top rate of pay is the same or less than the top rate of pay of the employee's present classification, due to a layoff. A downgrade shall only be allowed to the appropriate classification within the employee's regression ladder, except as provided in Section 14.3(c) of this Article.

d. Regression Ladder

A regression ladder shall be defined as a classification series through which an employee may downgrade. The regression ladder for the Traffic Engineering Unit is as set forth below:

Traffic Supervisor
Traffic Worker III
Traffic Worker II
Traffic Worker I
Traffic Worker Trainee

e. Permanent Status

For the purposes of this layoff procedure permanent status is attained in a job classification when an employee has successfully completed his/her probationary period in that job classification.

14.3 PROCEDURE

a. Within each job classification in each department in which a layoff occurs, employees shall be laid off in the following order: first, all provisional employees; second, all probationary employees in the order of their classification seniority, beginning with the

employee with the least such seniority; and, third, permanent employees in the order of their classification seniority, beginning with the employee with the least such seniority.

b. Any provisional or probationary employee who is affected by a layoff or displaced by a downgrading employee shall return to the last Department and job classification in which the employee holds permanent status, if any. If the employee does not hold permanent status in another job classification, he/she shall be laid off; the name of such employee may be restored to an eligible list in accordance with applicable Civil Service Board Rules. If the employee does hold permanent status in another job classification, he/she shall then be treated as a permanent employee in that job classification with respect to any layoff in that job classification.

c. Any permanent employee who is to be laid off or displaced shall have the right to downgrade in descending order, to job classifications within his/her regression ladder, provided that: (a) the employee meets all of the qualifications of the lower classification, and (b) can displace an employee in the lower classification. If there are any provisional employees in such lower classification, the provisional employee with the least City service seniority shall be displaced first. If there are no provisional employees in the lower classification, the probationary employee with the least City service seniority shall be displaced. If there are neither provisional nor probationary employees in the lower classification, the permanent employee with the least City service seniority shall be displaced, provided that the downgrading employee has greater City service seniority. If the permanent employee is unable to downgrade to any job classification within the appropriate regression ladder, he/she shall be laid off.

d. An employee may accept a layoff in lieu of the opportunity to downgrade by written notification to the Labor Relations within five (5) working days of receiving notice of layoff. Where the employee accepts a layoff in lieu of a downgrade, said employee shall forfeit all recall rights except to a vacancy within the same classification from which the employee was laid off.

e. If two (2) or more employees have an equal amount of classification seniority, the senior employee shall be determined on the basis of greater City service seniority. If two (2) or more employees have an equal amount of City service seniority, the senior employee shall be determined on the basis of greater hire date seniority, or by lowest random number in the event of a tie.

f. The application of this procedure is not intended to extend job assignment, work organization, or departmental preference to any employee affected by a layoff.

14.4 NOTICE OF LAYOFF

In the event of layoff, the City shall send by certified mail a layoff notice to all affected employee(s). Such notice shall be postmarked at least thirty (30) calendar days in advance of the effective date of layoff. Such layoff notice shall be mailed to the employee's address in the City's payroll system, and shall be deemed appropriate notice.

The employee(s) who is on a paid or unpaid leave shall be affected by the layoff in accordance with the provisions of this Article in the same manner as all other employees.

14.5 SALARY IN EVENT OF DOWNGRADE

a. An employee who is downgraded through a regression ladder pursuant to this Article shall be paid in the new classification the salary range step closest to the monthly pay received immediately prior to downgrade providing there is no increase in pay.

b. If appointed in the lower classification at other than top step, future salary step adjustment shall be made in accordance with Section 7.2 "Advancement in Rate of Compensation" with time served in the classification from which the downgrade occurred counting toward salary step advancement.

c. Upon subsequent recall through a regression ladder the employee shall not receive in the next higher classification less than that received in the lower classification, provided however, that upon subsequent placement in the classification from which the employee was downgraded, salary step placement shall be at the salary step previously held. If, however, said salary step is less than that received in the classification to which the employee was downgraded, salary step placement shall be at the salary step immediately higher. The anniversary date for future in-grade salary adjustments shall be the date of recall to the permanent classification.

d. Salary as referred to in this Article shall be the monthly salary range and respective salary step for the affected classification as identified in the salary schedule.

14.6 FRINGE BENEFITS

a. Upon layoff, employees shall be paid for accrued leave balances and similar benefits, as applicable. Employees being recalled shall have the uncompensated portion of their sick leave balance restored. However, if eligible, only those sick leave hours accrued after recall shall be applied to sick leave payoff.

b. Employees laid off who are enrolled in City insurance programs may continue elected coverage limited to the City's medical, dental, vision, and life insurance plans for a period up to six (6) months or the period of time permitted by Consolidated Omnibus Budget Reconciliation Act (COBRA), whichever is greater, by advanced personal remittance for each month's total premium for the cost of such coverage, at the time of layoff.

c. Assistance with this insurance option, unemployment benefits, and the availability of retirement benefits or refunds as governed by the City Charter will be provided by the Benefits Division, Department of Human Resources, at the request of laid-off employees.

14.7 RECALL

a. When a vacancy occurs in a job classification, the laid-off or downgraded employee(s) eligible to return to that job classification shall be recalled in the inverse order of layoff from that job classification. When a recall list exists, and an employee is on a reinstatement list due to a medical leave of absence, such employee will be merged with employees on the established layoff eligibility list based on seniority. Permanent employees who were laid off or downgraded are eligible to return to the job classification in which permanent status is held within their regression ladder, or to lower classifications within the same regression ladder, but shall have no recall rights to any job classification in which provisional status was held at the time of layoff or downgrade. Permanent employees who held probationary status in another job classification on the date of layoff shall be eligible to return to the job classification in which probationary status was held for a period of one (1) year from the date of layoff; but upon such return must serve the complete probationary period for such job classification.

b. Employees shall be entitled to recall rights for a period of two (2) consecutive years from the effective date of layoff or downgrade. The effective date of layoff shall be the employee's last day of work. The effective date of downgrade shall be the employee's last day of work in the classification from which he/she is downgraded. An employee who has downgraded and has not been recalled to the classification where permanent status is held within the two (2) year period shall gain permanent status for purposes of layoff in the classification to which the employee downgraded, or is currently working at the time recall rights are lost, whichever is higher in the regression ladder.

c. When a vacancy exists, and employees are to be recalled, notice of the opening(s) shall be sent to the mailing address as shown in the City's payroll system. To expedite recall, more than one employee may be notified of an opening. This recall notice shall be by certified mail and the employee shall have fourteen (14) calendar days to report to work from the date of postmark on the recall notice. If said employee fails to report to work within fourteen (14) calendar days he/she will lose all recall rights. An employee who has been laid off or downgraded shall be required to meet the physical and other minimum qualifications of the classification to which he/she is recalled. Any additional qualifications established during said employee's layoff shall be waived with regard to an employee holding recall rights to that job classification except as required by law. An employee who accepts recall shall receive all seniority to which he/she is entitled under this Article.

14.8 GENERAL

The City or the Union shall have the right, at any time during the term of this Agreement, to initiate discussions between the parties as to possible alternatives to layoff. The City, however, retains the right to proceed with layoffs according to the procedures set forth in this Agreement at any time including, but not limited to that time, if any, during which an impasse on layoff alternatives is being resolved.

ARTICLE 15 – DISCIPLINE

15.1 LETTER OF REPRIMAND

a. A letter of reprimand issued on or after August 25, 1990, shall not be appealable to the Civil Service Board, except the employee may have an administrative review of the reprimand by submitting a request in writing within seven (7) calendar days to the Director of Human Resources. The Director or designee will schedule a private meeting within seven (7) calendar days of receipt of the written request to hear the employee's response. A final written decision will be rendered by the Director or designee within seven (7) calendar days of the meeting. This Section shall not be subject to the Grievance Procedure.

If the suspension is reduced or reversed at the conclusion of the appeal process, the City shall reinstate the forfeited credits. This provision shall not be subject to the grievance procedure.

15.3 WITHDRAWAL OF APPEAL

The employee or union may withdraw an appeal of discipline at any time prior to a decision by an Administrative Law Judge (hereafter "ALJ") or the Civil Service Board. An appeal shall be deemed withdrawn if the employee fails to respond within sixty (60) days to a written request by the City to select an ALJ, schedule a hearing, or otherwise participate in the appeal process. The written request shall be certified and sent to the employee's mailing address as shown in the City's payroll system.

An employee who resigns or retires from City service with an outstanding disciplinary appeal is deemed to have withdrawn the appeal and waive any right to pursue the appeal.
