PREAMBLE

This AGREEMENT, hereinafter referred to as the Agreement, entered into by the CITY OF SACRAMENTO, hereinafter referred to as the City, and the SACRAMENTO-SIERRA'S BUILDING AND CONSTRUCTION TRADES COUNCIL, hereinafter referred to as the COUNCIL, has as its purpose the promotion of harmonious labor relations between the City and the Council, establishment of an equitable and peaceful procedure for the resolution of differences and the establishment of rates of pay, hours of work, and other conditions of employment.

ARTICLE 1 – RECOGNITION

1.1 RECOGNITION

a. The City hereby recognizes the Council as the exclusive bargaining agent for all employees in the Building Trades and Craft Unit, as defined in the City's Employer-Employee Relations Policy, and agrees to meet and confer and otherwise deal exclusively with the Council on all matters relating to the scope of representation pertaining to the said employees as authorized by law.

b. The Council will not object to the State Mediation and Conciliation Service or the American Arbitration Association conducting any election pursuant to the City's Employer-Employee Relations Policy.

1.2 EMPLOYEES COVERED BY THIS AGREEMENT

Any employee working in a job classification in the Building Trades and Craft Unit shall be covered by this Agreement except as hereinafter provided. Additionally, any career employee covered by this Agreement who accepts a temporary appointment to a classification outside this Agreement shall continue to be covered by this Agreement for a period of ninety (90) calendar days. Such temporary appointment shall be treated as an out-of-classification assignment. Similarly, a career employee not covered by this Agreement who accepts a temporary appointment to a classification covered by this Agreement shall not fall under the provisions of this Agreement for a period of ninety (90) calendar days.

The following terms are defined as used throughout this Agreement:

Career Employees: Those employees having either probationary or permanent status in a classification covered by this Agreement.

Non-Career Employees: Employees working in a classification covered by this Agreement who are not required to serve a probationary period and who therefore have neither probationary nor permanent status. There are the following two (2) categories of non-career employees:

(+1,040): These non-career employees work, within one (1) year of each date of employment, in excess of 1,040 hours during a continuous period of employment of more than six (6) months.

(-1,040): These non-career employees work, within one (1) year of each date of employment, 1,040 or less hours. Included in this category are all non-career employees who do not fall under the (+1,040) definition.

1.3 CAREER DEVELOPMENT TRAINEE CLASSIFICATIONS

The City shall have the right during the term of the Agreement to establish Career Development Trainee classifications. Such classifications shall have a flat hourly rate of pay equivalent to ten percent (10%) below Step 1, as applicable, step of the salary range of the career classification, as shown in the salary schedule. (For example, if the Step 1 hourly rate of pay is \$8.23 for the career classification for which the career development training is being conducted, the flat hourly rate for the Career Development Trainee would be \$8.23 minus \$.823 or \$7.407.) An employee appointed as a Career Development Trainee shall have non-career (+1,040) status for purposes of benefit eligibility during the term of the appointment.

ARTICLE 2 – SOLE AGREEMENT

2.1 SOLE AGREEMENT

a. This Agreement when signed by the parties hereto, and approved by the City Council, supersedes all other agreements and supplements, and represents the sole agreement between the parties.

b. Neither party shall be obligated to meet and confer during the term of this Agreement on any matter within the scope of bargaining. However, if during its term, the parties hereto should mutually agree to modify, amend or alter the provisions of the Agreement in any respect, any such change shall be effective only if and when reduced to writing and executed by the authorized representative of the City and the Council. Any such changes validly made shall become a part of this Agreement and subject to its terms.

ARTICLE 3 – CITY RIGHTS

3.1 CITY RIGHTS

The City retains the exclusive right, among others, in accordance with applicable laws, regulations, and the provisions of this Agreement, (a) to direct employees in the performance of their duties; (b) to hire, promote, transfer and assign employees; (c) to classify employees in accordance with applicable Charter, ordinance and Civil Service Board Rule provisions; (d) to discipline employees; (e) to dismiss employees because of lack of work, or funds, or for other reasonable cause; (f) to determine the mission of the Division and Department, its budget, its organization, the number of employees, and the numbers, types, classifications and grades of positions or employees assigned to an organization unit, work project, shift or tour of duty, and the methods and technology of performing its work; and (g) to take whatever action that may be appropriate to carry out its mission in situations of emergency.

ARTICLE 4 – PAYROLL DEDUCTIONS

4.1 PAYROLL DEDUCTIONS

a. In addition to continuing existing payroll deductions for group medical insurance premiums under plans to which the City is a contracting party, the City agrees to deduct insurance premiums for plans to which the City is not a contracting party for employees in the Unit, provided such employees request and authorize such deduction or deductions to be made from their paychecks, subject to the following conditions:

- (1) Such deduction shall be made pursuant to the terms and conditions in the authorization form attached hereto as Exhibit A.
- (2) Such deductions shall be made only upon submission to Benefits in the Department of Human Resources of the said authorization form duly completed and executed by the employee and by a duly authorized officer of the Council where called for.

b. Payroll deductions for payments to the Golden One Credit Union (a wholly independent entity) shall be provided to employees in the Building Trades and Craft Unit subject to the terms and conditions of this Article if and when such is provided to any other employees of the City.

4.2 AGENCY SHOP

a. General

- (1) As a condition of continued employment, all career employees who are paid one or more hours salary (including injury-on-duty time under the City Charter) during a bi-weekly pay period, and all non-career (+1,040) employees who are paid forty (40) or more hours salary during a bi-weekly pay period shall be a member of the Council or pay an agency shop service fee to the Council in an amount determined as set forth in subsection (b) below.
- (2) No employee shall be required to pay the service fee during the first sixty (60) calendar days of employment.
- (3) The provisions of this Section shall remain in effect during the term of this Agreement and any mutually agreed upon extension of that term.

b. Service Fee

The service fee required in subsection (a) shall be an amount not to exceed the Council's uniformly-applied standard initiation fee, periodic dues and general assessments. In computing such amounts, the Council shall exclude expenditures for members-only benefits and Council expenditures for political and ideological purposes unrelated to collective bargaining, contract administration and grievance adjustment. Any dispute as to the service fee or the amount thereof shall be directed solely to the Council, and the City shall not be a party to the dispute.

Both the service fee and the Council dues may be paid to the Council through payroll deductions as set forth in Section 4.1. There is no obligation on the part of the City to provide payroll deduction for the three (3) organizations listed in subsection (c).

c. Religious Objection

Any employee otherwise required to pay a service fee under this Section, and who is a member of a bona fide religion, body or sect which has historically held conscientious objections to joining or financially supporting public employee organizations shall not be required to join or financially support any public employee organization as a condition of continued employment. Such an employee shall be required as a condition of continued employment, in lieu of the service fee, to pay a sum equal to the service fee otherwise payable under this Section to a non-religious, non-labor charitable fund exempt from taxation under Internal Revenue Code Section 501(c)(3). Upon request of the Council, such employee shall be required to submit to the Council proof of payment of the in-lieu-of service fee. For purposes of this Section, such employees shall choose from the following three (3) organizations:

March of Dimes
United Way
Firefighter Burn Institute

Employees claiming a religious exemption shall be required to file a written statement under oath or affirmation with the Council, which identifies the religious organization by name, if any, and which provides in detail that the employee and the organization meet all of the requirements for claiming the religious exemption.

d. Disclosure and Reporting

The Council shall keep an adequate itemized record of its financial transactions and shall make available annually, to the City and to the employees covered by this Section within sixty (60) days after the end of its fiscal year, a detailed written financial report thereof in the form of a balance sheet and an operating statement, certified as to accuracy by its president and treasurer or corresponding principal officer, or by a certified public accountant. The Council, if required to file financial reports under the Labor-Management Disclosure Act of 1959 covering employees governed by this Agreement, or if required to file financial reports under Section 3546.5 of the Government Code, shall instead provide the City with a copy of such financial reports.

e. Hold Harmless

The Council shall promptly refund to the City any amounts paid to the Council in error under this Section.

The Council expressly agrees to indemnify and hold the City harmless from any and all claims, demands, costs (including any costs incurred by the City in defense of a lawsuit), expenses, damages or other monetary losses arising out of or in any way connected with any action or inaction of the City in the adoption or administration of this Section. This hold harmless and indemnity agreement shall include but not be limited to employee legal actions of any sort or nature against the City based upon or related to this

Section. Further, in the event that the City undertakes disciplinary action against an employee pursuant to this Section, this hold harmless and indemnity agreement shall cover all costs and expenses, including any costs incurred by the City in defense of a lawsuit.

f. Change of Law

In the event there is a change in the law whereby any provision hereof becomes invalid or if for any reason any provision of this Section is rendered unlawful by any published appellate court decision, this Section shall be forthwith deemed amended to comply with the change or decision in question.

g. Discipline Procedure

No employee shall be terminated under this Section unless:

- (1) The Council first has notified the employee by letter, explaining that he/she is delinquent in not tendering the required service fee, or payment in lieu of service fee pursuant to subsections (c) and (d) above, specifying the current amount of the delinquency, and warning the employee that unless such service fee, or payment in lieu of service fee, is tendered within thirty (30) calendar days, the employee will be reported to the City for termination as provided in this Section; and
- (2) The Council has furnished the City with written proof that the procedure of subsection (1) above has been followed, or has supplied the City with a copy of the letter sent to the employee and notice that he/she has not complied with the request. The Council must further provide, when requesting the City to terminate the employee, the following written notice:

"The Union certifies that (employee's name) has failed to tender the agency shop service fee, or payment in lieu of service fee, required as a condition of employment under this Agreement and that under the terms thereof, the City shall terminate the employee."

No employee who is on injury-on-duty time under the City Charter shall be terminated under this Section.

h. Duty of Fair Representation

The Council shall accord fair representation in all matters to all employees in the Unit without regard to whether the particular employee is a member of the Council. The duty of fair representation shall include but not be limited to all matters related to collective bargaining, discipline, contract administration, and grievance processing.

i. Employee Rights

Employees covered by this Agreement shall have all rights specified in Government Code Section 3502.5(b).

ARTICLE 5 – TIME OFF FOR UNION ACTIVITIES

5.1 TIME OFF FOR UNION ACTIVITIES

The Council shall be provided a total of twenty-six (26) hours per year paid for by the City for participating in Council activities not prohibited by law. Such time off may be utilized by career employees who are members of the Council for the purposes of meeting with other employee organizations, executive boards or membership meetings, administering benefit programs on behalf of Council members; and for participating in grievance or disciplinary proceedings involving the Council or its members.

ARTICLE 6 – GRIEVANCE PROCEDURE

6.1 GRIEVANCE PROCEDURE

The City and the Council agree to implement the below grievance procedure.

6.2 PURPOSE

a. This grievance procedure shall be used to process and resolve grievances arising under this Agreement except to the extent that the City Charter vests jurisdiction elsewhere.

b. The purposes of this procedure are:

- (1) to resolve grievances informally at the lowest possible level;
- (2) to provide an orderly procedure for reviewing and resolving grievances promptly.

6.3 DEFINITIONS

a. A grievance is a good faith complaint of one (1) or a group of employees, or a dispute between the City and the Council involving the interpretation, application, or enforcement of the express terms of this Agreement. No matter shall be considered as a grievance under this Article unless it is presented in writing within sixty (60) calendar days after occurrence of the events on which the grievance is based. With the consent of the City's third step representative the sixty (60) day time limit for filing grievances may be extended.

b. As used in this procedure, the term "supervisor" means the individual who assigns, reviews and directs the work of an employee.

c. As used in this procedure the term "party" means an employee, the Council, the City, or their authorized representatives.

d. The employee retains all rights conferred by Sections 3500 et. seq., of the Government Code or Civil Service Board Rules and Regulations of the City unless waived by such employee.

6.4 STEP ONE

a. An employee who believes he/she has cause for grievance may contact his/her supervisor alone. An employee who believes he/she has cause for grievance may contact his/her supervisor with his/her Steward. If after discussions with the supervisor, the employee does not feel the grievance has been properly adjusted, the grievance may be reduced to writing. The grievance statement shall include the following:

- (1) A statement of the grievance clearly indicating the question raised by the grievance and the article(s) and section(s) of this Agreement.
- (2) The remedy or correction requested of the City.
- (3) The grievance form shall be signed by the grieving employee, the date and time of presentation affixed thereto, and signed as received by the employee's Division Head.

b. The grieving employee's Division Head, or his/her designee, shall give his/her answer to the grievance in writing within five (5) standard workdays from the time he/she receives the grievance in writing. The first step answer shall include the following:

- (1) A complete statement of the City's position and the facts upon which it is based;
- (2) The remedy or correction which has been offered, if any.

6.5 STEP TWO

The appeal to the second step will be made within five (5) standard workdays. The hearing of the grievance will be held within five (5) standard working days of the second step appeal. The Council representative and designated departmental representative will meet in an effort to settle the matter. The City's answer will be made five (5) standard workdays after the hearing is held. The employee has five (5) standard workdays to determine whether or not to appeal the grievance to the third step.

6.6 STEP THREE

a. The Council's representative and the designated representative of the City will meet to hear grievances appealed to the third step. Grievances appealed to the third step of the grievance procedure shall be heard within ten (10) standard workdays after the appeal to the third step of the grievance procedure.

b. A written answer will be made within ten (10) standard workdays after the hearing stating the City's position.

6.7 ARBITRATION

a. If the third step answer is not satisfactory to the employee, the Council may appeal the grievance to arbitration. The request for arbitration must be given in writing to the designated City representative by the Council within ten (10) standard workdays from the date of the third step answer.

b. An arbitrator may be selected by mutual agreement between the Council's representative and the City's representative.

c. Should the representatives fail to mutually agree on an arbitrator, they shall make a joint request to the American Arbitration Association for a list of five (5) qualified arbitrators. The parties shall each strike two (2) names from the list and the remaining person shall be accepted as the arbitrator. The first party to strike will be determined by the flip of a coin.

d. It is understood that the arbitrator will only interpret this Agreement and will in no instance add to, delete from, or amend any part thereof. The arbitrator's decision shall be final and binding on the City, the Council and employee.

e. The fees of the arbitrator and the court reporter, if used, will be borne equally by the Council and the City.

f. Either party to this Agreement shall, upon receipt of a written grievance, have the right to refuse to handle such grievance if the aggrieved party has not followed the steps outlined in this Article for processing a grievance.

g. If the City does not meet time limits, the Council may process the grievance to the next step of the grievance procedure. Time limits at each step may be waived by mutual agreement of the parties.

h. A Steward or a Council representative shall have the authority to settle grievances for the Council or employees at the respective steps of the grievance procedure.

6.8 WITNESSES

The City agrees that employees shall not suffer loss of compensation for time spent as a witness at an arbitration hearing held pursuant hereto. The Council agrees that the number of witnesses requested to attend and their scheduling shall be reasonable.

ARTICLE 7 – SALARY ADJUSTMENTS

7.1 SALARY

Effective December 23, 2017, all classification salary ranges covered by this Agreement shall be increased by two percent (2%).

All career employees who are employed with the City as of December 23, 2017, shall receive a onetime payment of \$1,275 to be made on the February 13, 2018, paycheck.

Effective December 8, 2018, all classification salary ranges covered by this Agreement shall be increased by two percent (2%).

ARTICLE 8 – SALARY ADMINISTRATION

8.1 ORIGINAL APPOINTMENT COMPENSATION RATE

The rate of compensation upon original appointment shall normally be Step 1, as applicable. However, if the City Manager or designee finds that the appointee has extraordinary qualifications, or that a higher step is necessary in order to recruit, appointment at any step in the range may be made. This provision shall apply to original appointments to career positions and appointments to non-career positions.

8.2 ADVANCEMENT IN RATE OF COMPENSATION

a. Advancement in Steps

- (1) Upon successful completion of twenty-six (26) weeks (1,040 hours) of service, an employee shall be advanced to the next higher step of the salary range of the classification. Employees who thereafter maintain a normally satisfactory level of performance shall be advanced automatically at fifty-two (52) week (2,080 hours) intervals to succeeding steps of the assigned salary range. (This subsection shall not apply to non-career employees.)
- (2) An employee in a classification who has completed the required probationary period in his/her current classification and who is at a salary step lower than top step, may be advanced to any higher step in the salary range for that classification at any time. Such step advancement under this provision shall not be subject to the grievance procedure and shall be at the sole discretion of the Department Head.
- (3) Time spent on leave of absence without pay of ten (10) or less consecutive workdays shall not affect the step increase eligibility date. For such leaves in excess of ten (10) consecutive working days, all leave time shall not count toward step increases.

b. Denial of Step Increase and Reduction In-Grade

Employees who do not maintain a satisfactory level of performance may be denied advancement, and may be reduced within grade upon approval of the appointing authority. Employees in the civil service who are denied advancement, or who are reduced in-grade, shall have the right to appeal to the Civil Service Board in accordance with its Rules and Regulations. (This subsection shall not apply to non-career employees.)

c. Effective Date of Step Increases/Payroll Changes

All payroll changes shall be effective on the first day of the bi-weekly pay period following the date the employee became eligible for a pay increase, which bi-weekly pay period shall begin at 12:01 a.m. Saturday of the first week, and end at 12:00 midnight on the Friday of the second week.

d. Effective Date of Salary Step Increase Upon Extension of Probationary Period

- (1) If the probationary period is extended due to light duty, sick leave, or injury-on-duty time, the salary step increase will be delayed for the period of the extension. However, the probationary period shall only be extended if the time exceeds thirty (30) consecutive calendar days.
- (2) For an employee in a classification with a six (6) month probationary period who successfully completes the extended probationary period, the period of the extension shall be included in determining the eligibility date for the salary step increase. For example, an employee is appointed on January 4, 1986, and works in the regular assignment until April 11, 1986. On April 12, 1986, the employee is on injury-on-duty time until July 4, 1986, and returns to the regular assignment on July 5, 1986. The employee successfully completes the probationary period on September 26, 1986. The effective date on the salary step increase is July 5, 1986, because the period April 12, 1986, to July 4, 1986, is included in determining the salary step eligibility date.
- (3) When the probationary period is extended for an employee in a classification with a twelve (12) month probationary period who has successfully completed less than twenty-six (26) weeks of service, the employee shall be eligible for a salary step increase upon successful completion of twenty-six (26) weeks of service, excluding the period of the extension. The period of the extension, however, shall be included in determining the eligibility date for the salary step increase. The effective date of the salary step increase is determined in accordance with the example given above.
- (4) When the probationary period is extended for an employee in a classification with a twelve (12) month probationary period who has successfully completed more than twenty-six (26) weeks of service and who successfully completes the extended probationary period, the period of the extension shall be included in determining the eligibility date for the next salary step increase. The effective date of the salary step increase is determined in accordance with the example given above, except fifty-two (52) weeks is required rather than twenty-six (26) weeks.
- (5) If a probationary period is extended due to an unpaid leave of absence, the period of such extension is excluded in determining the eligibility date for a salary step increase.

8.3 EFFECT OF CLASSIFICATION CHANGE ON RATE OF COMPENSATION

a. Movement to a Higher Classification

When an employee moves from one classification to another which has a higher salary, through examination, appointment to an exempt position, temporary appointment in the absence of an eligible list, or reallocation, the employee shall receive an increase at least equal to a full in-grade salary step (5%) or Step 1, as applicable, of the higher classification, whichever is greater, but not to exceed the maximum rate of the higher classification.

b. Movement to Another Position in the Same Classification or to a Classification With the Same Salary Range

When an employee moves to another position in the same classification or to another classification with the same salary range, the employee shall maintain the same salary and same anniversary date.

c. Movement to a Lower Classification

When an employee's position is reallocated to a classification with a lower salary range, the employee shall suffer no reduction in salary, and the Y-rate provisions of this Agreement shall apply. The salary of an employee who voluntarily demotes shall be that salary step nearest but does not exceed such salary paid in the previous classification.

8.4 EFFECT OF CHANGE OF SALARY RANGE UPON COMPENSATION

Whenever the salary range of a classification is adjusted upward, the salary rate of each employee in the classification shall be adjusted to the step in the new range which corresponds to the step received in the former range, and the employee shall retain the current anniversary date for further increases within the new range.

8.5 RATE OF COMPENSATION UPON RETURN TO CITY SERVICE

a. An employee recalled after layoff, reinstated after a leave of absence, or reemployed in the same classification after resignation shall return to the same salary step paid at the time of departure.

b. If the employee is reemployed after resignation to a classification lower than that in which last employed, the employee may receive any step, but not to exceed the salary of the classification in which last employed. If that step is other than the maximum step of the salary range, the anniversary date for subsequent in-grade adjustments shall be twelve (12) months from the date of reemployment and each year thereafter until the maximum step of the salary range is reached.

8.6 TEMPORARY WORK IN HIGHER CLASSIFICATION

Temporary assignments to higher classifications shall be permitted only in those classifications where in the judgment of the Department Head or designee, it is necessary to maintain proper and efficient departmental operations. An employee temporarily

assigned in writing to perform the duties of a higher classification shall be compensated for the duration of the out-of-classification assignment by the payment of five percent (5%) above the employee's base rate of pay, or the salary provided for in Step 1, of the higher classification, whichever is greater, but not to exceed the top step of the higher classification.

8.7 RATES HIGHER THAN TOP STEP (Y-RATE)

Whenever the salary of an employee exceeds top step of the salary range established for a classification, such salary shall be designated as a "Y-rate." During such time as an employee's salary remains above the top step, the employee shall not receive further salary increases, except that upon promotion to a higher classification, the employee shall immediately advance to the step of the range of the higher classification next above the "Y-rate," and be eligible for advancement to succeeding steps in the range as outlined in this Agreement. In the event an employee is "Y-rated" below top step, as applicable, the employee shall be permitted to advance to the maximum step of the original range.

8.8 SALARY CONTINUATION FOR ABSENCES OF LESS THAN ONE WORK DAY

A salaried employee exempt from the minimum wage and overtime provisions of the Fair Labor Standards Act who works for only a portion of the day shall not have his/her salary reduced that day due to insufficient accrued, usable leave. This provision will apply only to employees in supervisor classifications.

8.9 LONGEVITY PAY

Employee eligibility for longevity pay shall be determined as provided in [Section 108 of the City Charter](#). The amount of payment after twenty (20) years of City service shall be one hundred dollars (\$100), and after twenty-five (25) years of City service, an additional two hundred dollars (\$200), for a total of three hundred dollars (\$300). Any changes to the City Charter regarding longevity pay shall be subject to impact bargaining.

ARTICLE 9 – HEALTH AND WELFARE

9.1 CONTRIBUTION TO FULL-TIME AND PART-TIME CAREER EMPLOYEES

a. The City shall administer a Cafeteria Plan benefits program for employees consistent with [Internal Revenue Code Section 125](#). The details of Plan eligibility and operational requirements are set forth in Plan documents. The City shall make contributions (City dollars) as defined below. accrue floating holiday credit based upon the number of hours the employee was paid in that bi-weekly pay period: 64 or more hours paid = 40 minutes accrual; 40-63.9 hours paid = 20 minutes accrual; less than 40 hours paid = 0 minutes accrual.

(2) Administration

- (a) The scheduling of floating holiday time must be approved in advance by the appointing authority or designated representative.
- (b) An employee may carry over from the preceding calendar year a maximum of eight (8) hours of floating holiday accrual. Except for the eight (8) hour carry-over, all floating hours accrued and not used by the end of the pay period which includes January 8 shall be paid to the employee in cash at the straight-time rate on the payday covering that pay period.

As a condition of so

using such accrued vacation, however, the employee is required to continuously utilize accrued vacation until accrued vacation is exhausted or he/she returns to work. This provision also applies to any accrued leave with the exception as noted in 14.4, Sick Leave.

Hours donated subsequent to exhausting all donated hours shall be accumulated and utilized along with related accrued leave hours in amounts equal to the recipient's normal bi-weekly work hours.

j. Used donated leave time shall count toward the application of City service and benefits in the same manner as when the employee is on paid vacation leave.

k. Used donated leave time shall be subject to the recipient's normal payroll deductions.

l. The City shall promulgate a policy and procedure to implement and administer catastrophic leave.

When an employee is required to be on telephone alert, the employee will cooperate with the court or jury commissioner and the City will be responsible to ensure that the employee is available. Pay for work time lost shall be computed at the employee's regular rate of pay at the time of such absence. The employee shall return all witness fees or jury remuneration received, less transportation allowance, to the City.

b. If a swing shift or graveyard shift employee has served in excess of one half of his or her scheduled shift in court or on jury duty, the employee will notify his/her supervisor in advance of the start time so he/she can be excused from the shift. c. In lieu of the shift after service on court leave, a graveyard shift employee may request to take off the shift prior to court leave provided that if the employee serves less than one half of the shift he/she will be required to use vacation or other leave accruals to cover the shift.

d. To receive pay for work time lost, an employee must provide the City with a statement signed by an official of the court certifying the employee's service as a juror or appearance in court for that purpose, the date or dates of attendance, the time released

The regular net income is the employee's gross income, less any required deductions such as taxes, retirement and SDI insurance premiums, as well as any other mandatory deductions. ARTICLE 16 – LAYOFF

16.1 PURPOSE

This Article provides the procedure to be followed when an employee is to be displaced/laid off from his/her position.

16.2 DEFINITIONS

a. Layoff

A layoff shall be defined as the dismissal or displacement of at least one employee due to lack of work, lack of funds, abolishment of position, or for other reasons not reflecting discredit on an employee.

b. Seniority

- (1) Classification Seniority: Classification seniority shall be defined as the effective date of probationary appointment to the employee's current job classification, less any time spent in a lower classification

due to a downgrade. In the case of an employee who is demoted or whose position is reallocated in accord with applicable Civil Service Board Rules and Regulations, classification seniority for the reallocated or demoted employee shall be mutually established by the City and Council at the time of reallocation. Within a regression ladder, computation of classification seniority for a job classification lower than that in which the employee holds permanent status, the following seniority shall be counted: (a) classification seniority in any higher classifications within the regression ladder, and (b) previous classification seniority in the job classification in which the employee is currently working, and (c) present time spent in the job classification in which the employee is currently working, minus any seniority adjustments.

- (2) City Service Seniority: City service seniority shall be defined as the effective date of appointment to the employee's first permanent career position.
- (3) Hire Date Seniority: Hire date seniority shall be defined as the employee's first date of hire to any position with the City.
- (4) Seniority Adjustments: Classification seniority and City service seniority shall be adjusted (reduced) in calendar days to reflect time spent on layoff from City service.
- (5) Termination of Seniority: Termination of classification seniority and City service seniority shall occur upon:
 - (a) Resignation, except that any employee who is reemployed and completes a probationary period, if any, in the position to which he/she was reemployed may count the seniority which he/she accumulated prior to resignation.
 - (b) Discharge.
 - (c) Retirement.
 - (d) Layoff in excess of five (5) consecutive years out of the City service.
 - (e) Failure to comply, report, or respond to a recall notice within fourteen (14) calendar days from the date of postmark on the recall notice.

e. Permanent Status

For the purposes of this layoff procedure permanent status is attained in a job classification when an employee has successfully completed his/her probationary period in that job classification.

f. Career and Non-Career

Career employees shall be those employees in positions which are in the classified service who are required to serve a probationary period. Non-career employees are all other employees covered by this Agreement.

16.3 PROCEDURE

a. Non-Career Employees

When layoff is to occur within a job classification within a department, all non-career employees in the regression ladder in which that job classification is found shall be laid off first. In no event shall a career employee suffer a layoff until all non-career employees in the affected regression ladder have been laid off. Non-career employees shall have no right to downgrade.

b. Career Employees

- (1) Within each job classification in each department in which a layoff occurs, employees shall be laid off in the following order: first, all provisional employees; second, all probationary employees in the order of their classification seniority, beginning with the employee with the least such seniority; and, third, permanent employees in the order of their classification seniority, beginning with the employee with the least such seniority.
- (2) Any provisional or probationary employee who is affected by a layoff or displaced by a downgrading employee shall return to the last department and job classification in which the employee holds permanent status, if any. If the employee does not hold permanent status in another job classification, he/she shall be laid off. If the employee does hold permanent status in another job classification, he/she shall then be treated as a permanent employee in that job classification with respect to any layoff in that job classification.
- (3) Any permanent employee who is to be laid off or displaced shall have the right to downgrade, within the department, in descending order, to job classifications within his/her regression ladder, provided that:
(a) the employee meets all of the qualifications of the lower classification, and
(b) can displace an employee in the lower classification. If there are any provisional employees in such lower classification, the provisional employee with the least City service seniority shall be displaced first. If there are no provisional employees in the lower classification, the probationary employee with the least City service seniority shall be displaced. If there are neither provisional nor probationary employees in the lower classification, the permanent employee with the least City service seniority shall be displaced, provided that the downgrading employee has greater City service seniority. If the permanent employee attempting to downgrade is unable to do so, he/she shall be laid off.

- (4) Notwithstanding any other provisions of this Article, those City employees who have at least ten (10) years of continuous City service seniority and who are unable to downgrade within their current regression ladder shall have the right to return to their last classification in which they held permanent status, if he/she meets the qualifications of that classification, and shall have the right to downgrade through that regression ladder pursuant to Section 16.3(b)(3).
- (5) An employee may accept layoff in lieu of the opportunity to downgrade by notifying Labor Relations within two (2) normal workdays of receiving notice of layoff. Where the employee accepts a layoff in lieu of a downgrade, said employee shall forfeit all recall rights except to a vacancy within the same classification from which the employee was laid off.
- (6) If two (2) or more employees have an equal amount of classification seniority, the senior employee shall be determined on the basis of greater City service seniority. If two (2) or more employees have an equal amount of City service seniority, the senior employee shall be determined on the basis of greater hire date seniority, then by random number, if necessary.
- (7) The application of this procedure is not intended to extend job assignment, work organization, or departmental preference to any employee affected by a layoff.

c. Notice of Layoff

In the event of layoff, the City shall send by certified mail return receipt requested a layoff notice to all affected employee(s). Such notice shall be postmarked at least fourteen (14) calendar days in advance of the effective date of layoff. Such layoff notice shall be mailed to the employee's address in the City's payroll system, and shall be deemed appropriate notice. The employee(s) who is on a paid or unpaid leave shall be affected by the layoff in accordance with the provisions of this Article in the same manner as all other employees. However, the employee who is on sick leave or injury-on-duty status on the date of the layoff notice shall not be laid off or downgraded until the employee returns to work; except that the effective date for recall purposes shall be the date of actual layoff as stated on the layoff notice.

16.4 SALARY IN EVENT OF DOWNGRADE

a. An employee who is downgraded through a regression ladder pursuant to this Article shall be paid in the new classification the salary range step closest to the monthly pay rate received immediately prior to downgrade providing there is no increase in pay.

b. If appointed in the lower classification at other than top step, future salary step adjustment shall be made in accordance with Section 8.2 "Advancement in Rate of Compensation" with time served in the classification from which the downgrade occurred counting toward salary step advancement.

c. Upon subsequent recall through a regression ladder the employee shall not receive in the next higher classification less than that received in the lower classification, provided however, that upon subsequent placement in the classification from which the employee was downgraded, salary step placement shall be at the salary step previously held. If, however, said salary step is less than that received in the classification to which the employee was downgraded, salary step placement shall be at the salary step immediately higher in the permanent classification. The anniversary date for future in-grade salary adjustments shall be the date of recall to the permanent classification.

d. Salary as referred to in this Article shall be the monthly salary range and respective salary step for the affected classification as identified in the salary schedule.

16.5 FRINGE BENEFITS

a. Upon layoff, employees shall be paid for accrued leave balances and similar benefits, as applicable. Employees being recalled shall have the uncompensated portion of their sick leave balance restored. However, if eligible, only those sick leave hours accrued after recall shall be applied to sick leave payoff.

b. Employees laid off who are enrolled in City insurance programs may continue elected coverage for a period up to six (6) months or the period of time permitted by Consolidated Omnibus Budget Reconciliation Act (COBRA), whichever is greater, by advanced personal remittance for each month's premium for the cost of such coverage, at the time of layoff.

c. Assistance with this insurance option, unemployment benefits, and the availability of retirement benefits or refunds as governed by the City Charter will be provided by Benefits in the Department of Human Resources at the request of the laid-off employee.

16.6 RECALL

a. When a vacancy occurs in a job classification, the laid-off or downgraded employee(s) eligible to return to that job classification shall be recalled in the inverse order of their downgrade or layoff. Permanent employees who were laid off or downgraded are eligible to return to the job classification in which permanent status is held within their regression ladder, but shall have no recall rights to any job classification in which provisional or probationary status was held at the time of layoff or downgrade. When a recall list exists and an employee is on a reinstatement list due to a medical leave of absence, such employee will be merged with employees on the established layoff eligibility list based on seniority. Provisional and probationary employees who had no permanent status in another job classification at the time of layoff shall have no recall rights. Non-career employees shall have no recall rights.

b. Employees shall be entitled to recall rights for a period of five (5) consecutive years from the effective date of layoff or downgrade. The effective date of layoff shall be the employee's last day of work. The effective date of downgrade shall be

the employee's last day of work in the classification from which he/she is downgraded. An employee who has downgraded and has not been recalled to the classification where permanent status is held within the five (5) year period shall gain permanent status for purposes of layoff in the classification to which the employee downgraded, or is currently working at the time recall rights are lost, whichever is higher in the regression ladder.

c. When a vacancy exists and employees are to be recalled, notice of the opening(s) shall be sent to the mailing address as shown in the City's payroll system. To expedite recall, more than one employee may be notified of an opening. This recall notice shall be by certified mail return receipt requested and the employee shall have fourteen (14) calendar days to report to work from the date of postmark on the recall notice. If said employee fails to report to work within fourteen (14) calendar days, he/she will lose all recall rights. An employee who has been laid off or downgraded shall be required to meet the physical and other qualifications of the classification to which he/she is recalled. Any additional qualifications established during said employee's layoff shall be waived with regard to an employee holding recall rights to that job classification except as required by law.

d. Career employees holding recall rights may be offered a non-career job of less than 1,040 hours annually, and if said career employee accepts or refuses such non-career jobs of less than 1,040 hours, it shall have no effect on said career employee's normal recall rights.

16.7 GENERAL

The City or the Council shall have the right, at any time during the term of this Agreement, to initiate discussions on possible alternatives to layoff to correct any adverse impact a proposed layoff would have on minorities and women employees in the Unit. If such discussions are initiated but the parties fail to reach agreement, the present layoff procedure shall continue in full force and effect.

ARTICLE 17 – DISCIPLINE

17.1 LETTER OF REPRIMAND

a. A letter of reprimand shall not be appealable to the Civil Service Board, except the employee may have an administrative review of the reprimand by submitting a request in writing within seven (7) calendar days to the Director of Human Resources. The Director or designee will schedule a private meeting within seven (7) calendar days of receipt of the written request to hear the employee's response. A final written decision will be rendered by the Director or designee within seven (7) calendar days of the meeting. This Section shall not be subject to the Grievance Procedure.

b. A letter of reprimand issued on or after October 20, 1990, will be withdrawn from an employee's official personnel file eighteen (18) months from the date of issue provided there has not been additional formal discipline imposed during this period.

17.2 IN-LIEU DISCIPLINE

By mutual agreement between the appointing authority or designee and the employee, an employee suspended from duty without pay may forfeit accumulated holiday, compensating time off, and/or vacation credits equal to the number of hours of suspension in lieu of such suspension.
