PREAMBLE

This AGREEMENT, hereinafter referred to as the Agreement, entered into by the CITY OF SACRAMENTO, hereinafter referred to as the City, and the INTERNATIONAL ASSOCIATION OF MACHINISTS AND AEROSPACE WORKERS, LOCAL LODGE NO. 2182, DISTRICT LODGE 190, hereinafter referred to as the Union, has as its purpose the promotion of harmonious labor relations between the City and the Union, establishment of an equitable and peaceful procedure for the resolution of differences and the establishment of rates of pay, hours of work, and other conditions of employment.

ARTICLE 1 – RECOGNITION

1.1 RECOGNITION

a. The City hereby recognizes the Union as the exclusive bargaining agent for all employees in the Automotive/Equipment Mechanics Unit, as defined in the City's Employer-Employee Relations Policy, and agrees to meet and confer and otherwise deal exclusively with the Union on all matters relating to the scope of representation pertaining to the said employees as authorized by law.

b. The Union or the City will not object to the State Mediation and Conciliation Service or the American Arbitration Association conducting any election pursuant to the City's Employer-Employee Relations Policy.

1.2 EMPLOYEES COVERED BY THIS AGREEMENT

Any employee working in a job classification in the Automotive/Equipment Mechanics Unit shall be covered by this Agreement except as hereinafter provided. Additionally, any career employee covered by this Agreement who accepts a temporary appointment to a classification outside this Agreement shall continue to be covered by this Agreement for a period of ninety (90) calendar days. Such temporary appointment shall be treated as an out-of-classification assignment. Similarly, a career employee not covered by this Agreement who accepts a temporary appointment to a classification covered by this Agreement shall not fall under the provisions of this Agreement for a period of ninety (90) calendar days. The City shall not make temporary appointments under this provision for the sole purpose of eroding the bargaining unit.

The following terms are defined as used throughout this Agreement:

Career Employees: Those employees having either probationary or permanent status in a classification covered by this Agreement.

Non-Career Employees: Employees working in a classification covered by this Agreement who are not required to serve a probationary period and who therefore have neither probationary nor permanent status. There are the following two (2) categories of non-career employees:

(+1,040): These non-career employees work, within one (1) year of each date of employment, in excess of 1,040 hours during a continuous period of employment of more than six (6) months.

(-1,040): These non-career employees work, within one (1) year of each date of employment, 1,040 or less hours. Included in this category are all non-career employees who do not fall under the (+1,040) definition.

ARTICLE 2 – SOLE AGREEMENT

2.1 SOLE AGREEMENT

a. This Agreement when signed by the parties hereto, and approved by the City Council, supersedes all other Agreements and supplements, and represents the sole agreement between the parties.

b. Neither party shall be obligated to meet and confer during the term of this Agreement on any matter within the scope of bargaining, except as otherwise provided in this Agreement. However, if during its term, the parties hereto should mutually agree to modify, amend or alter the provisions of the Agreement in any respect, any such change shall be effective only if and when reduced to writing and executed by the authorized representative of the City and the Union. Any such changes validly made shall become a part of this Agreement and subject to its terms.

c. The waiver of any breach or condition of this Agreement by either party shall not constitute a precedent in the future enforcement of all terms and conditions herein.

ARTICLE 3 – CITY RIGHTS

3.1 CITY RIGHTS

The City retains the exclusive right, subject to and in accordance with applicable laws, the City Charter, Civil Service Board Rules and Regulations, and the provisions of this Agreement, (a) to direct employees in the performance of their duties; (b) to hire, promote, transfer and assign employees; (c) to classify employees in accordance with applicable Charter, ordinance and Civil Service Board Rule provisions; (d) to discipline employees; (e) to dismiss employees because of lack of work or for other reasonable cause; (f) to determine the mission of its Divisions and Departments, and its budget, organization, the number of employees, and the numbers, types, classifications and grades of positions or employees assigned to an organization unit, work project, shift, or tour of duty, and the methods and technology of performing its work; and (g) to take whatever action may be appropriate to carry out its mission in situations of emergency.

ARTICLE 4 – UNION RIGHTS

4.1 PAYROLL DEDUCTIONS

a. In addition to continuing existing payroll deductions for group insurance plans to which the City is or shall hereafter be a contracting party, the City agrees to establish payroll deductions for (1) the normal and regular monthly Union membership dues and assessments, (2) the service fees for non-members as set forth in Section 4.2 of this Agreement, and (3) the insurance premiums for plans to which the City is not the contracting party open to members of the Union.

b. All the above payroll deductions shall be subject to the following conditions:

- (1) Such deductions shall be made pursuant to the terms and conditions set forth in authorization forms approved by the City. Such forms shall be those which are currently used. Any changes or modifications shall be agreed upon between the City and Union.
- (2) If for any reason an employee does not have sufficient funds due him/her to provide for the payment of any of the above payroll deductions after all other authorized or mandatory deductions or garnishments have been made, if any, no such sums shall be payroll deducted and the Union shall assume the duty of direct collection from the employee.
- (3) Deductions and authorizations shall be separated by type of deduction (union membership dues, service fees, insurance premiums) and by payee. Additionally, the Union will also receive information as to which employees were required to pay a service fee within a bi-weekly pay period even if such service fee was not payroll deducted.
- (4) Such deductions shall be made only upon submission to Benefits in the Department of Human Resources of the said authorization form duly completed and executed by the employee and the Union, except the authorization form for service fees shall be completed and executed by solely the employee.
- (5) The Union will be responsible for notifying Benefits of any changes in the amounts to be payroll deducted from the paychecks of employees who have authorization forms on file with the City. Such notification shall be in the form of a letter signed by the authorized representative of the Union certifying a change in dues, service fees, or insurance premiums.
- (6) The Union agrees to indemnify, defend and hold the City harmless against any claims made of any nature whatsoever, and against any suit instituted against the City arising from its deductions for dues,

No employee shall be terminated under this Section unless:

- (1) The Union first has notified the employee by letter, explaining that he/she is delinquent in not tendering the required service fee, specifying the current amount of the delinquency, and warning the employee that unless such service fee is tendered within thirty (30) calendar days, the employee will be reported to the City for termination as provided in this Section; and
- (2) The Union has furnished the City with written proof that the procedure of subsection (1) above has been followed, or has supplied the City with a copy of the letter sent to the employee and notice that he/she has not complied with the request. The Union must further provide, when requesting the City to terminate the employee, the following written notice:

The employee has five (5) standard workdays to determine whether or not to appeal the grievance to the third step.

5.5 STEP THREE

The Union's representative and the designated representative of the City will meet to hear grievances appealed to the third step. Grievances appealed to the third step of the grievance procedure shall be heard within ten (10) standard workdays after the appeal to the third step of the grievance procedure. ARTICLE 8 – SALARY ADMINISTRATION

8.1 ORIGINAL APPOINTMENT COMPENSATION RATE

The rate of compensation upon original appointment shall normally be Step 1, as applicable. However, if the City Manager or designee finds that the appointee has extraordinary qualifications, or that a higher step is necessary in order to recruit, appointment at any step in the range may be made. This provision shall apply to original appointments to career positions and appointments to non-career positions.

8.2 ADVANCEMENT IN RATE OF COMPENSATION

a. Advancement in Steps

- (1) Upon successful completion of twenty-six (26) weeks (1,040 hours) of service, an employee shall be advanced to the next higher step of the salary range of the classification. Employees who thereafter maintain a normally satisfactory level of performance shall be advanced automatically at fifty-two (52) week (2,080 hours) intervals to succeeding steps of the assigned salary range.
- (2) Time spent on leave of absence without pay of ten (10) or less consecutive workdays shall not affect the step increase eligibility date. For such leaves in excess of ten (10) consecutive working days, all leave time shall not count toward step increases.
- (3) An employee who has completed the required probationary period in his/her current classification and who is at a salary step lower than top step may be advanced to any higher step in the salary range for that classification at any time. Such step advancement under this provision shall not be subject to the grievance procedure and shall be at the sole discretion of the Department Head.
- (4) This Section shall not apply to non-career employees.

b. Denial of Step Increase and Reduction in Grade

Employees who do not maintain a satisfactory level of performance may be denied advancement, and may be reduced within grade upon approval of the appointing authority. Employees in the civil service who are denied advancement, or who are reduced in grade, shall have the right to appeal to the Civil Service Board in accordance with its rules and regulations. (This subsection shall not apply to non-career employees.)

c. Effective Date of Step Increases/Payroll Changes

All payroll changes shall be effective on the first day of the bi-weekly pay period following the date the employee became eligible for a pay increase, which bi-weekly pay period shall begin at 12:01 a.m. Saturday of the first week, and end at 12:00 midnight on the Friday of the second week.

d. Effective Date of Salary Step Increase Upon Extension of Probationary Period

- (1) If the probationary period is extended due to light duty, sick leave, or injury-on-duty time, the salary step increase will be delayed for the period of the extension. However, the probationary period shall only be extended if the time exceeds thirty (30) consecutive calendar days.
- (2) For an employee in a classification with a six (6) month probationary period who successfully completes the extended probationary period, the period of the extension shall be included in determining the eligibility date for the salary step increase. For example, an employee is appointed on January 4, 1986, and works in the regular assignment until April 11, 1986. On April 12, 1986, the employee is on injury-on-duty time until July 4, 1986, and returns to the regular assignment on July 5, 1986. The employee successfully completes the probationary period on September 26, 1986. The effective date on the salary step increase is July 5, 1986, because the period April 12, 1986, to July 4, 1986, is included in determining the salary step eligibility date.
- (3) If a probationary period is extended due to an unpaid leave of absence, the period of such extension is excluded in determining the eligibility date for a salary step increase.

8.3 EFFECT OF CLASSIFICATION CHANGE ON RATE OF COMPENSATION

a. Movement to a Higher Classification

When an employee moves from one classification to another which has a higher salary, through examination, appointment to an exempt position, temporary appointment in the absence of an eligible list, or reallocation, the employee shall receive an increase at least equal to a full in-grade salary step (5%) or Step 1, as applicable, of

the higher classification, whichever is greater, but not to exceed the maximum rate of the higher classification.

b. Movement to Another Position in the Same Classification or to a Classification With the Same Salary Range

ARTICLE 15 – LAYOFF

15.1 PURPOSE

This Article provides the procedure to be followed when an employee is to be displaced/laid off from his/her position.

15.2 DEFINITION

a. Layoff A layoff shall be defined as the dismissal or displacement of at least one employee due to lack of work, lack of funds, abolishment of position, or for other reasons not reflecting discredit on an employee.

b. Seniority

(1) Classification Seniority: Classification seniority shall be defined as the effective date of probationary appointment to the employee's

current job classification, less any time spent in a lower classification due to a downgrade. In the case of an employee who is demoted or whose position is reallocated in accord with applicable Civil Service Board Rules and Regulations, classification seniority for the reallocated or demoted employee shall be mutually established by the City and the Union at the time of reallocation. For those classifications which have flexible staffing as defined in the Civil Service Board Rules and Regulations and provided for in the classification specifications, classification seniority shall be defined as the effective date of probationary appointment to the lowest classification in the classification series. Within a regression ladder, computation of classification seniority for a job classification lower than that in which the employee holds permanent status, the following seniority shall be counted: (a) classification seniority in any higher classifications within the regression ladder, and (b) previous classification seniority in the job classification in which the employee is currently working, and (c) present time spent in the job classification in which the employee is currently working, minus any seniority adjustments. For a part-time career employee, classification seniority shall be prorated.

- (2) City Service Seniority: City service seniority shall be defined as the effective date of appointment to the employee's first permanent career position.
- (3) Hire Date Seniority: Hire date seniority shall be defined as the employee's first date of hire to any position with the City.
- (4) Seniority Adjustments: Classification seniority and City service seniority shall be adjusted (reduced) in calendar days to reflect time spent on layoff from City service.
- (5) Termination of Seniority: Termination of classification seniority and City service seniority shall occur upon:
 - (a) Resignation, except that any employee who is reemployed and completes a probationary period, if any, in the position to which he/she was reemployed may count the seniority which he/she accumulated prior to resignation.
 - (b) Discharge.
 - (c) Retirement.
 - (d) Layoff in excess of five (5) consecutive years out of the City service.

(e) Failure to comply, report, or respond to a recall notice within fourteen (14) calendar days from the date of postmark on the recall notice.

c. Downgrade A downgrade shall be defined as a change in job classification to which the top step is less than the top step of the employee's present classification, due to a layoff. A downgrade shall only be allowed to the appropriate classification within the employee's regression ladder.

d. Regression Ladder A regression ladder shall be defined as a classification series through which an employee may downgrade. Regression ladders for the Automotive/Equipment Mechanics Unit are as follows:

- (1) Equipment Maintenance Supervisor
Equipment Mechanic III
Equipment Mechanic II/I
Senior Equipment Serviceworker
Equipment Serviceworker
Vehicle Service Attendant
- (2) Equipment Maintenance Supervisor
Equipment Body Mechanic III
Equipment Body Mechanic II/I
- (3) General Repair Worker
- (4) Vehicle Pool Serviceworker
- (5) Supervising Fire Service Worker
Senior Fire Service Worker
Fire Service Worker

e. Permanent Status For the purposes of this layoff procedure permanent status is attained in a job classification when an employee has successfully completed his/her probationary period in that job classification.

f. Career and Non-Career Career employees shall be those employees in positions which are in the classified service who are required to serve a probationary period. Non-career employees are all other employees covered by this Agreement.

15.3 PROCEDURE

a. Non-Career Employees When layoff is to occur within a job classification within a department, all non-career employees in the regression ladder in which that job classification is found shall be laid off first. In no event shall a career employee suffer a layoff until all non-career employees in the affected regression ladder have been laid off. CETA employees shall be laid off in the manner provided by applicable federal regulations. Non-career employees shall have no right to downgrade.

b. Career Employees

- (1) Within each job classification in each department in which a layoff occurs, employees shall be laid off in the following order: first, all provisional employees; second, all probationary employees in the order of their classification seniority, beginning with the employee with the least such seniority; and, third, permanent employees in the order of their classification seniority, beginning with the employee with the least such seniority.
- (2) Any provisional or probationary employee who is affected by a layoff or displaced by a downgrading employee shall return to the last department and job classification in which the employee holds permanent status, if any. If the employee does not hold permanent status in another job classification, he/she shall be laid off. If the employee does hold permanent status in another job classification, he/she shall then be treated as a permanent employee in that job classification with respect to any layoff in that job classification.
- (3) Any permanent employee who is to be laid off or displaced shall have the right to downgrade, within the department, in descending order, to job classifications within his/her regression ladder, provided that: (a) the employee meets all of the qualifications of the lower classification, and (b) can displace an employee in the lower classification. If there are any provisional employees in such lower classification, the provisional employee with the least City service seniority shall be displaced first. If there are no provisional employees in the lower classification, the probationary employee with the least City service seniority shall be displaced. If there are neither provisional nor probationary employees in the lower classification, the permanent employee with the least City service seniority shall be displaced, provided that the downgrading employee has greater City service seniority. If the permanent employee attempting to downgrade is unable to do so, he/she shall be laid off.
- (4) Notwithstanding any other provisions of this Article those City employees who have at least ten (10) years of continuous City service seniority and who are unable to downgrade within their current regression ladder shall have the right to return to their last classification in which they held permanent status, if he/she meets the qualifications of that classification, and shall have the right to downgrade through that regression ladder pursuant to Section 15.3(b)(3).
- (5) An employee may accept layoff in lieu of the opportunity to downgrade by notifying Labor Relations within two (2) normal

workdays of receiving notice of layoff. Where the employee accepts a layoff in lieu of a downgrade, said employee shall forfeit all recall rights except to a vacancy within the same classification from which the employee was laid off.

- (6) If two (2) or more employees have an equal amount of classification seniority, the senior employee shall be determined on the basis of greater City service seniority. If two (2) or more employees have an equal amount of City service seniority, the senior employee shall be determined on the basis of greater hire date seniority, then by random number, if necessary.
- (7) The application of this procedure is not intended to extend job assignment, work organization, or departmental preference to any employee affected by a layoff.

c. Notice of Layoff

In the event of layoff, the City shall send by certified mail return receipt requested a layoff notice to all affected employee(s). Such notice shall be postmarked at least fourteen (14) calendar days in advance of the effective date of layoff. Such layoff notice shall be mailed to the employee's address in the City's payroll system, and shall be deemed appropriate notice. The employee(s) who is on a paid or unpaid leave shall be affected by the layoff in accordance with the provisions of this Article in the same manner as all other employees. However, the employee who is on sick leave or injury-on-duty status on the date of the layoff notice shall not be laid off or downgraded until the employee returns to work; except that the effective date for recall purposes shall be the date of actual layoff as stated on the layoff notice.

15.4 SALARY IN EVENT OF DOWNGRADE

a. An employee who is downgraded through a regression ladder pursuant to this Article shall be paid in the new classification the salary range step closest to the monthly pay rate received immediately prior to downgrade providing there is no increase in pay.

b. If appointed in the lower classification at other than top step, future salary step adjustment shall be made in accordance with City Code Section 23 "Advancement in Rate of Compensation" with time served in the classification from which the downgrade occurred counting toward salary step advancement.

c. Upon subsequent recall through a regression ladder the employee shall not receive the next higher classification less than that received in the lower classification, provided however, that upon subsequent placement in the classification from which the employee was downgraded, salary step placement shall be at the salary step previously held. If, however, said salary step is less than that received in the classification to which the employee was downgraded, salary step placement shall be at the salary step immediately higher in the permanent classification.

15.5 FRINGE BENEFITS

a. Upon layoff, employees shall be paid for accrued leave balances and similar benefits, as applicable. Employees being recalled shall have the uncompensated portion of their sick leave balance restored. However, if eligible, only those sick leave hours accrued after recall shall be applied to any subsequent sick leave payoff.

b. Employees laid off who are enrolled in City medical, dental and life insurance programs may continue elected coverage for a period up to six (6) months or the period of time permitted by Consolidated Omnibus Budget Reconciliation Act (COBRA), whichever is greater, by advanced personal remittance for each month's premium for the cost of such coverage, at the time of layoff.

c. Assistance with this insurance option, unemployment benefits, and the availability of retirement benefits or refunds as governed by the City Charter will be provided by Benefits in the Department of Human Resources at the request of laid off employees.

15.6 RECALL

a. When a vacancy occurs in a job classification, the laid off or downgraded employee(s) eligible to return to that job classification shall be recalled in the inverse order of their downgrade or layoff. Permanent employees who were laid off or downgraded are eligible to return to the job classification in which permanent status is held within their regression ladder, but shall have no recall rights to any job classification in which provisional or probationary status was held at the time of layoff or downgrade. When a recall list exists and an employee is on a reinstatement list due to a medical leave of absence, such employee will be merged with employees on the established layoff eligibility list based on seniority. Provisional and probationary employees who had no permanent status in another job classification at the time of layoff shall have no recall rights. Non-career employees shall have no recall rights.

b. Employees shall be entitled to recall rights for a period of five (5) consecutive years from the effective date of layoff or downgrade. The effective date of layoff shall be the employee's last day of work. The effective date of downgrade shall be the employee's last day of work in the classification from which he/she is downgraded. An employee who has downgraded and has not been recalled to the classification where permanent status is held within the five (5) year period shall gain permanent status for purposes of layoff in the classification to which the employee downgraded, or is currently working at the time recall rights are lost, whichever is higher in the regression ladder.

c. When a vacancy exists and employees are to be recalled, notice of the opening(s) shall be sent to the mailing address as shown in the City's payroll system. To expedite recall, more than one employee may be notified of an opening. This recall notice shall be by certified mail return receipt requested and the employee shall have fourteen (14) calendar days to report to work from the date of postmark on the recall notice. If said employee fails to report to work within fourteen (14) calendar days, he/she will lose all

recall rights. An employee who has been laid off or downgraded shall be required to meet the physical and other qualifications of the classification to which he/she is recalled. Any additional qualifications established during said employee's layoff shall be waived with regard to an employee holding recall rights to that job classification except as required by law.

15.7 LAYOFF REOPENER

The City or the Union shall have the right, at any time during the term of this Agreement, to initiate discussions on possible alternatives to layoff to correct any adverse impact a proposed layoff would have on minorities and women employees in the Unit represented by the Union. If such discussions are initiated but the parties fail to reach agreement, the present layoff procedure shall continue in full force and effect.

ARTICLE 16 – DISCIPLINE

However, disciplinary action shall only be grievable for non-career employees who have worked in excess of 1,040 hours since their last date of hire. Hours worked on a Career Development Trainee shall not count towards the 1,040 hours needed to qualify to appeal discipline.

a. A letter of reprimand shall not be appealable to the Civil Service Board, except the employee may have an administrative review of the reprimand by submitting a request in writing within seven (7) calendar days to the Director of Human Resources. The Director or designee will schedule a private meeting within seven (7) calendar days of receipt of the written request to hear the employee's response. A final written decision will be rendered by the Director or designee within seven (7) calendar days of the meeting. This provision shall also apply to +1,040 non-career employees. This Section shall not be subject to the Grievance Procedure.

b. A letter of reprimand issued on or after September 22, 1990, will be withdrawn from an employee's official personnel file two eighteen (18) months from the date of issue provided there has not been additional formal discipline imposed during this period.

16.3 IN-LIEU DISCIPLINE

By mutual agreement between the appointing authority or designee and the employee, an employee suspended from duty without pay may forfeit accumulated holiday, compensating time off, and/or vacation credits equal to the number of hours of suspension in lieu of such suspension. If the suspension is reduced or reversed at the conclusion of the appeal process, the City shall reinstate the forfeited credits. This provision shall not be subject to the grievance procedure.

16.4 WITHDRAWAL OF APPEAL

An employee or union may withdraw an appeal of discipline at any time prior to a decision by an Administrative Law Judge or the Civil Service Board. An appeal shall be deemed withdrawn if the employee fails to respond within thirty (30) days to a written request by the City to schedule a hearing or otherwise participate in the appeal process. The written request shall be certified and sent to the employee's mailing address as shown in the City's payroll system.

16.5 SUSPENSIONS AND PAY REDUCTIONS

a. Suspensions and pay reductions imposed after June 20, 2009, will be withdrawn from an employee's official personnel file, and any other personnel files maintained by the City five (5) years from the date of issue provided there has not been additional formal discipline imposed during the five-year period. If an employee had additional discipline in the five-year period, the removal date will restart.

b. All discipline documents that are removed from the employee's personnel file will be retained in Labor Relations. Should an employee have subsequent discipline, the earlier disciplines may be used for purposes of progressive discipline.

However, in the event the employee is unable to obtain the required license, the employee shall be separated from employment.

Further, the salary reduction or separation from employment shall not be subject to the grievance procedures provided for in Article 5, nor shall the reduction be considered disciplinary action as defined by Rule 12 of the Rules and Regulations of the Civil Service Board. In the event the transferred employee subsequently obtains the required license with endorsements, the employee shall be transferred back to the previous assignment at the same step in the salary range occupied prior to the transfer and salary reduction.
