

You need:

- Cardboard
- String
- Scissors
- Markers
- Glue stick
- Circle Template

Color & cut out circles. Use this to trace on a cardboard box and cut out. Then glue on (one on each side!)

Poke two holes right in the center. Take a piece of rope about 28 inches long. Then run through the holes and tie a knot.

Then you take a piece of rope in each hand with the circle in the middle and go in circles to get the rope twisted.

Then you pull...relax...pull...relax. IF you do it right the spinners make a humming noise!!!!
