Sticky Spider Web

Materials Needed:
- Painter’s tape
- Newspaper or paper
- Timer

Set Up:
- Find a place with an open door. Secure tape across the door. Overlap the tape to create “spider web” effect.
- Ball up the newspaper into paper balls.
- Set a tape line about 5 feet away

Activity Instructions:
1. Have the kid stand behind the tape line.
2. Try and see how many paper balls they can stick onto web in one minute.
   This is a simple game that can be played multiple times.
