HOW TO:
Create a crazy pile of boxes. Stack, or lean them on each other in such a way that they won't fall over until they're hit. One person at a time throw the bean bags at the boxes until they've all been knocked over. Whoever knocks down the entire pile with the least hits or in the least amount of time wins!

WHAT YOU'LL NEED:
- Small/medium boxes
- Bean bags or something similar
- Competitors
