

Galaxy Jar

Youth activities

What you'll need:

- Mason jar with a lid
- Paint (3 colors) - Glitter
- Water - Cotton Balls

Share your creations:

@oakparkCC

@ypce_cityofsac

#YPCE #OPCC

How to:

Fill your jar 1/3 of the way with water and mix with one color of paint. Add glitter and mix well. Stretch out your cotton balls and add them to your mix squishing them down into the jar. Fill the jar up again with with water 1/3 of the way from the top and repeat the process of adding paint, glitter, and water. Fill the jar the rest of the way with water and repeat all steps. Enjoy your galaxy!
