OUTDOOR STEAM CAMP

YPCE is excited to offer 2 additional summer camps, beginning July 20th!

SUMMER IS HERE! The City of Sacramento is proud to offer an awesome lineup of summer STEAM camps across Sacramento! After months of social distancing, it is essential that we give our youth meaningful and intentional interactions to promote their social and emotional learning and physical health. The Summer Outdoor STEAM Camp (Summer Oasis) experience is specially designed to offer STEAM opportunities the school-year classroom cannot supply, with plenty of individual hands-on activities, supervised exploration, and interactive fun. The perfect way to sharpen your STEAM skills and bond with new friends.
