

TEMPLE PARK TREE PLANTING AND COMMUNITY INPUT

December 1, 2018

Join us at 8:45am to plant some trees at Temple Park that will provide shade for generations to come.

Afterwards, stick around for some food and join the discussion on how to improve the park! The City of Sacramento wants your input on what upgrades are needed, so share your thoughts to help shape the future of your neighborhood.

Have questions? Contact Rachel at rachelp@sactree.com or (916) 924-8733.

Sign up at bit.ly/TempleAve1201

Special thanks to our community partners!
