Community programs for young adults and adults with intellectual and/or developmental disabilities.

March 2022

Notes about Covid policies: COVID-19 & Physical Distancing Procedures will be followed. Guidelines will be reviewed with groups at each in-person session. The City will continue to adhere to local health guidelines regarding COVID-19 safety, mask wearing, and physical distancing. As guidelines change, we will keep participants and staff informed to ensure our programs are as safe as possible. As of the date this calendar was published, masks will still be required for our indoor activities and any time physical distancing is not possible while enjoying outdoor activities. If you have been feeling any symptoms of Covid-19 or have been exposed to Covid-19, please plan to stay home. We can always work with you to provide a refund if needed. We appreciate your understanding. If you are dropping participants off, please plan to stay until the health screen has been completed. Thank you!

Community Notes
- Save the dates! April 9th-10th! We will be hosting a two-day “Weekend Safari” day camp for young adults and adults with intellectual and/or developmental disabilities. Details coming soon!
- Most of our staff (Access Leisure and Youth, Parks, and Community Center staff) continue to work remotely during this time. Although we are on-site for programs, we are working remotely most of the time. As we continue to navigate COVID-19 and its effects on our programming, we will respond to all calls, emails, and mail as soon as we can. We cannot thank you enough for your patience and participation.
- If you have questions about Access Leisure programs, please contact us directly. Various locations such as local bowling alleys, movie theaters, etc., will not have our up-to-date City schedules and/or Covid-19 policies available. Please contact Access Leisure directly for program information.
- We are so excited to see as many of you as possible this month – both in person and on Zoom! Thank you!
