COVID-19 PROCEDURES

As we have re-opened, our main goal is safety of everyone, especially during this pandemic. We have incorporated some additional changes to prepare you to roll smoothly on your next visit:

- Please register in advance. (Maximum of 70 skaters and 10 spectators allowed at a given time.)
- Create an ACTIVE NET profile online registration in advance. Enroll by selecting the 17 & under SK8 Registration or 18 & Over SK8 Registration button located below on our webpage.
- Face masks are recommended to be worn inside the skate park.
- Physical Distancing - Please maintain at least 6 feet distance from visitors outside your group.
- Please stay home if you do not feel well. We will implement a temperature screening upon entry.
- 17 & Under MUST wear a helmet. Helmets will not be rented during COVID-19.

We value your interest in our indoor skate park and thank you in advance for your patience and understanding as we work together to mollify the spread of COVID-19.
