The Prime Time Teen Virtually Connected program is an eight-week VIRTUAL workforce readiness and skill development program available for youth 13-17 years of age.

The online program places an emphasis on engaging participants in the development of 21st Century workforce readiness skills and the creation of small group community service projects.

All instructional programming sessions will be online via ZOOM and/or Google Classroom.

To receive the monetary stipend, a participant is required to attend, participate, and complete online instructional programming group sessions, community service project activities, and a mock interview.

*During the program, participants are allowed no more than two excused/unexcused absences.*

**Pick a session that fits your schedule!**

Registration opens Wednesday, March 24, 2021

**Program Dates:** April 5 - May 27, 2021
