Statement of Purpose: The purpose of this 4-hour course is to provide refresher patrol rifle training along with updated training on weapons manipulation, reloads, and maintaining a stable shooting platform. The course will consist of the physical breakdown and maintenance of the patrol rifle followed by practical skill building drills and rifle zeroing.

I. Rifle Inspection and Rifle Deployment
   a. Physically breakdown rifles and add lubricant to bolt carrier if needed
   b. Advise shooters to inspect Aimpoint installation
   c. Advise shooters to inspect gas rings
   d. Discuss vehicle deployment

II. Safety Briefing
   a. Firearms Safety Briefing

III. Rifle Zero Confirmation
   a. Zeroing targets

IV. Rifle Mount Drills
   a. Discuss the mount (reference lesson plan)
   b. Discuss Safety manipulation
   c. Course #1- Dominant Side Mount
      i. Training Targets
      ii. Focus on acquiring a good mount on dominant side
      iii. Live Fire Drill
          1. Upon a threat command, shooters will fire rounds at target
          2. Repeat numerous times
   d. Course #2- Nondominant Side
      i. Training targets
      ii. Focus on acquiring a good mount on non-dominant side
      iii. Live fire
          1. Upon a threat command, shooters will fire rounds at a target

V. Emergency Reloads / Rifle to Pistol Transitions
   a. Discuss reloading (reference lesson plan)
   b. Discuss rifle to pistol transition (reference lesson plan)
   c. Course #1- Emergency Reload
      i. Training targets
      ii. Full magazine and Empty magazine
      iii. Induce emergency reload
      iv. Live Fire Drill #1- Emergency Reloads
          1. Upon threat command, shooter will fire at a target
          2. Perform a reload
          3. Shooter will fire another string of rounds
          4. Repeat 7 times
Sacramento Police Department
ADDITIONAL OFFICER TRAINING - 2021
RIFLE UPDATE Course

d. Course #2- Rifle to Pistol Transition
   i. Training targets
   ii. Continue with rifle magazine from course #1
   iii. Live Fire Drill #1- Rifle to Pistol Transitions
      1. Upon threat command shooter will fire rounds
      2. When deemed necessary
      3. Transition to pistol and fire rounds
      4. Repeat 6 times

VI. Positional Shooting / Vehicle as cover
a. Discuss cover vs. concealment (reference lesson plan)
b. Discuss bracing for accuracy (reference lesson plan)
c. Discuss positions and unconventional positions when using a vehicle as cover
   (reference lesson plan)
d. Show the 8 areas of the vehicle students will shoot from (See Diagram)
   i. Left of left facing bumper
      1. Low/braced kneeling, Left-handed
   ii. Over the hood
      1. Junkyard Prone
   iii. Over the trunk
      1. Junkyard prone
   iv. Through the driver compartment windows
      1. Squatting
   v. Through the passenger compartment windows
      1. Squatting
   vi. Under the vehicle front
      1. Kneeling prone / roll-over prone
   vii. Under the vehicle rear
      1. Kneeling prone / roll-over prone
   viii. Right of right facing bumper
      1. Low/braced kneeling, Right-handed

e. Live Fire Drill #1
   i. Range vehicle with all the windows down
   ii. 2 steel targets down range, one to the right of the vehicle and one to the
      left of the vehicle
      1. Consider spray painting the targets different colors to avoid
         confusion
   iii. Two (2) Shooters at a time
      1. One shooter starts on the left
      2. One shooter starts on the right
   iv. Shooters start with a duty loaded weapon
      1. Empty chamber, safety on, magazine inserted
   v. Shooters will start standing
   vi. On a threat command
      1. Shooters will charge their rifle and fire rounds from each position
on both sides of the vehicle
2. Shooters will target the steel target that is on the same side of the vehicle their shooting from
3. Shooters shall communicate when they are ready to switch sides of the vehicle and when they are clear

f. Live Fire Drill #2
   i. Individual Shooters
   ii. Range vehicle with all the windows down
   iii. 1 steel target down range, centered on the vehicle
   iv. Range master will designate 4 of the 8 areas on the vehicle to shoot from
   v. Shooters will start with a duty loaded weapon
   vi. Upon a threat command
      1. The shooter will quickly move to the vehicle
      2. Charge their rifle and fire rounds from the 4 areas designated by the range master
      3. Must have positive hits on target
         a. Shooters can transition to pistol to complete the drill

VII. Rifle Qualification
   a. 2021 Rifle Qualification

**Staffing:** 3 Instructors (*minimum*)

**Equipment Needs:**

1) Training Targets / Qualification Targets
2) 50-yard range
3) First Aid Kit
4) Eye and ear protection
5) Break free or other lubricant
6) Maintenance supplies for targets, backers, etc.
