

**Sacramento Police Department
Mandatory Academy Follow-up Training
2021**

The following course is offered to academy graduates as they enter the field training program at the Sacramento Police Department. These new officers are brought back to the training environment several times as they progress through the field training.

Course Title: Naloxone/Narcan Administration Training

Course Description: To educate officers about what an opioid/opiate overdose looks like, the nature of naloxone and how to effectively administer it, follow-up and reporting procedures, as well as methods to avoid accidental law enforcement exposures.

Course Objectives: Upon completion of this course, the student will be able to:

- Identify the signs of an opioid/opiate overdose
- Understand how naloxone (Narcan) works in the human body and how to properly administer our department-issued Narcan
- Learn the appropriate first-aid and reporting follow-up after a Narcan administration
- Understand what measures are necessary to avoid accidental exposure (scene safety, PPE, how to appropriately wash off potential contaminants, etc)

Representative Methods of Evaluation:

- Class participation
- Pre-and post-test
