

**Sacramento Police Department
Mandatory Academy Follow-up Training
2021**

The following course is offered to academy graduates as they enter the field training program at the Sacramento Police Department. These new officers are brought back to the training environment several times as they progress through the field training.

Course Title: Taser User Course

Course Description: To provide the basic operational theory and practical training to reasonably, safely, and effectively operate the Taser X26 conducted energy device.

Course Objectives: Upon completion of this course the student will be able to:

- Explain the technology associate with the X26.
- Describe the nomenclature and operation of the X26.
- Describe the nomenclature and operation of the X26 cartridge.
- Explain the proper care and troubleshooting techniques
- Explain the tactical considerations associated with the CED use.
- Explain the probe placement and aiming requirements.
- Demonstrate safe handling of CED's
- Demonstrate and understanding of Federal Law, existing case law, state law, and department policy on the use of force of CED's.
- Demonstrate and understanding of after force care after the CED has been deployed.
