III. K9 Deployments

A. Guidelines (Operations Order 510.08)
   1. **Reasonably believe** suspect has committed or is about to commit an offense and if any of the following exist:
   2. There is a **reasonable belief** that the individual poses an immediate threat of violence or serious harm to public/officers
   3. The suspect is physically resisting arrest and the use of a canine appears necessary to overcome such resistance
   4. The individual is thought to be concealed in an area, where entry other than by canine would pose a threat to officers or the public
   5. Mere flight from officers is not enough without one or more of the above conditions

B. Deployment Considerations:
   1. Suspect’s age (in 2003, policy changed to exclude 18 and over requirement)
   2. Nature of the suspected offense
   3. Potential danger to public/officers if the canine is utilized
   4. Degree of resistance, if any, the suspect has shown
   5. Potential for escape or flight if the canine is not utilized
   6. The potential for injury to officers or the public caused by the suspect if the canine is not used
   7. Graham vs. Conner (Objective reasonableness/Totality of Circumstances)
   8. In all searches, both building and area, handlers are to give K9 announcements. With the concurrence of the on scene supervisor K9 warnings may not be given if the announcements would increase the risk of injury or escape (armed suspect, etc.)
   9. A Sergeant needs to authorize the use of the Canine except in a rapidly evolving situation that is within policy, but is impractical to obtain supervisor’s approval

C. Requesting K9
   1. Have dispatch request K9 to your radio channel
   2. If dispatch says K9 is on a call or unavailable, ask them to raise the K9 or get ahold of the K9 yourself and advise them of your call
   3. Get to know your K9 handlers and dogs and get contact information
