RE: Del Rio Trail

Dear Ms. Matsui-Drury,

On behalf of the Cabrillo Park neighborhood, I am writing in support of the Del Rio Trail. The subject of that unused rail line has come up in various meetings over the years, with people supporting the concept of a hiking/riding trail that could be used by commuters and recreationists alike. This trail could become an asset to the local community and we look forward to its completion.

Sincerely,

David Bain
President
