Ms. Judy Matsui-Drury  
City of Sacramento  
915 I Street  
Sacramento, CA 95814

Dear Ms. Matsui-Drury:

I am writing to express my enthusiastic support for the Del Rio Trail, which has been made possible by the hard work and dedication of the South Land Park Neighborhood Association.

As the city of Sacramento looks for more ways to develop its walking and biking infrastructure, the Del Rio Trail offers the city a tremendous opportunity to connect our neighborhoods. This project will connect the neighborhoods of Land Park, Z' Berg Park, Pocket, Meadowview, and the Sacramento River Bike Trail and the Sacramento waterfront. The Del Rio Trail provides our communities with increased access to businesses, schools, and city recreational landmarks such as William Land Park and the Sacramento Zoo. This trail is good for business, encourages recreation, and provides for the ability to live a healthier lifestyle.

I believe it would be a mistake not to pursue utilizing this four mile section of abandoned track in the heart of the South Sacramento area. I am aware that there have been efforts in the past to bring back train service to the existing rail line where the Del Rio Trail is being proposed. I fully support the South Land Park Neighborhood Association and the residents in opposing any attempts to reintroduce train traffic on this 4-mile section of track.

This is a thoughtful project that will bring many benefits to the communities this trail will serve. If there is anything myself or my office can do to help, please do not hesitate to reach out.

Sincerely,
