

# PARKING PERMIT PILOT

## EDUCATIONAL INSTITUTION PARKING PERMIT PILOT

On October 30, 2018, Sacramento City Council approved an Educational Institution (EI) parking pilot program for St. Francis of Assisi Elementary School. This pilot is limited to on-street spaces that border the school's property line.

St. Francis of Assisi Elementary School staff will use EI permits that restrict their parking to these pilot spaces. Staff are not allowed to park in residential permit (RPP) areas with EI permits.

Existing regulations for parking spaces that are not included in this pilot will remain the same.

This pilot will assess whether these new restrictions will provide the balance needed to accommodate parking for school personnel without affecting the nearby RPP zones.

Thank you for your support during this pilot program.
