

# BRING YOUR OWN SAC

## SAY "SO LONG" TO SINGLE-USE PLASTIC BAGS

Help Sacramento go greener by being a part of the reusable bag revolution!

### WHEN AND WHERE WILL THE BAN HAPPEN?

Starting **January 1, 2016**, single use plastic bags will no longer be available in the City of Sacramento at

-  **Grocery stores**
-  **Large Pharmacies**
-  **Convenience Stores**
-  **Markets**
-  **Stores that have a grocery or pharmacy as one of their departments (Target, Walmart etc)**

### WHY IS THE CITY LIMITING USE OF PLASTIC BAGS?

Single-use plastic bags are a major source of litter! They take hundreds of years to degrade and are harmful to our environment. By switching to reusable bags, you can help significantly reduce the amount of waste that goes into area landfills.

### KNOW YOUR BAG

### WHAT DOES IT MEAN FOR ME?

-  Bring Your Own Sac! Save money and live green by bringing your own reusable bags.
-  You are welcome and encouraged to bring any reusable bag with you to carry out items, even bags from other stores.
-  You can also buy a paper or reusable bag at check-out - stores subject to the ban must make recyclable paper or reusable bags available for purchase for a minimum of \$.10 per bag
