

CONSTRUCTION ON MACK ROAD

Beginning July 16, 2018 the City of Sacramento will begin the Mack Rd Overlay project as part of the 2018 Overlay and Seals Program, [funded through SB1](#). Work will be along Mack Rd, from Morrison Creek to Stockton Blvd and is anticipated to continue through October.

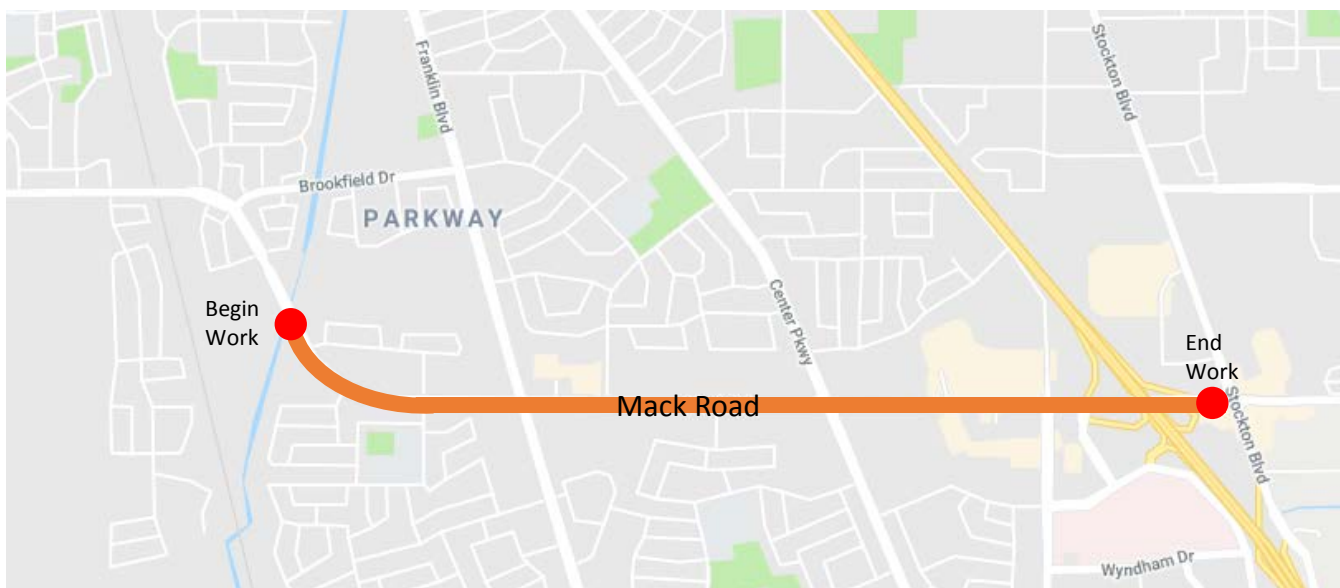

Benefits

- extend the [useful life and condition](#) of the existing pavement.
- provide [buffered bike lanes](#).
- slow down drivers to create a [safer corridor](#)

Schedule

- Monday to Friday 8:30 a.m. to 4 p.m.
- Weekend work 7 a.m. to 6 p.m. near major intersections
- Night work near Highway 99

Watch for signs and detours, plan ahead when traveling along the corridor to be prepared for delays.
