## Sacramento's \$44 million plan to become the U.S. electric car capital

By Patrick Sisson

### TRANSPORTATION

#### Sacramento wants you to dump your car and rent one of these 400 electric share vehicles

Sacramento will soon offer the country's largest electric car sharing program, with GIG Car Share and Envoy Technologies, using funds from an Electricity America grant provided by Volkswagen as part of its settlement for installing software in its diesel cars that allowed them to cheat on smog tests.
