Factors such as the moisture content of the soil, potential for inclement weather, safe use and avoidance of injuries, as well as damage to the field if played upon are all taken into consideration in determining the status for play. Contact the Field Status Line at (916) 277-2336 three (3) hours prior to scheduled field use to establish if the City has closed fields due to rain, or other circumstances.

FOOD

If you are preparing, or serving food to a known group of people additional permits are not required. However, if you plan to sell or serve food to the general public in the City of Sacramento a County of Sacramento Environmental Health Permit is required. For more information on food service requirements please contact the County at (916) 875-8440.

INSURANCE

General liability insurance coverage, in the amount of \$1 million that covers the participant, is required for youth practice, and all Games or Tournaments. Insurance is not required for adult practice. The City of Sacramento requires all certificates of insurance to be submitted on a standard ACORD form, or on the insurance company's letterhead. The City of Sacramento must be listed as the certificate holder as well as an additional insured with respects to General Liability. An endorsement naming the "The City of Sacramento, its officials, agents, employees and volunteers" must accompany the certificate of insurance. The endorsement page is often referred to as page CG 2011. If you do not have insurance, the City of Sacramento may be able to provide you insurance, at a cost, through its insurance broker. Field use after sunset may not occur on an unlit field. Reservations for lit fields must be for a minimum of one (1) hour. When completing your

application, please list your end time. Do not list "dusk or "dark". The time of rise and set phenomena cannot be precisely computed, because, in practice, the actual times depend on unpredictable atmospheric conditions that affect the amount of refraction at the horizon. Scheduled times are based on an average of sunsets in order to ensure public safety. Please refer to the Light Schedule listed below:

LINING FIELDS

Fields are not prepared prior to use. Permit holders may line fields with chalk or latex paint. Burning field lines with herbicides is strictly prohibited and can result in loss of further Field Permits. Burning lines kills grass growth for long periods and allows erosion of trenches in the grass cover that are safety hazards to players.

NON-PROFIT STATUS

A copy of your 501(c)(3) status is required for youth practice, and all Games or Tournaments. Commercial activity in any park is prohibited, except by a nonprofit organization pursuant to a fundraising permit.

PARK SAFETY

The mission of Park Safety Services is to provide park guests and park neighbors with a safe and trouble-free environment. A Park Safety staff member will be in or near the park during your activity. Park Safety staff has the authorization to stop or modify any activity if deemed

necessary. If you have safety concerns, or on-site problems please contact Park Safety Services through the City Operator at (916) 264-5011. For emergencies call 911.

PHOTO IDENTIFICATION

A copy of photo identification (California Driver's License or I.D. card) of the Responsible Party and the Alternate Contact is required to complete the application process.

RESTROOM FACILITIES

Per City Code 12.72.180 in City parks which do not have toilet facilities the City of Sacramento requires one (1) chemical toilet for any activity where the estimated attendance exceeds fifty (50) persons. Such facilities shall be provided at the ratio of one for each additional four hundred (400) people, or portion thereof. The number of toilets required is based upon the maximum number at your activity during peak time.

SOCCER GOAL POLICY

To prevent soccer goals from overturning and causing serious injury, the City of Sacramento has established a policy that all soccer goals used in City parks must be firmly secured to the ground at all times. The elements of this policy are as follows:

- Soccer goals must be firmly secured to the ground at all times;
- Portable soccer goal posts that do not extend into the ground must be properly secured to the ground at all times using soccer goal anchoring clamps;

In some situations portable soccer goals can be secured to a nearby fence with a chain and lock when not being used.
