

SACRAMENTO MARINA

VOLUNTEER OPPORTUNITIES AS OF MARCH 2011

MARINA/MILLER PARK CLEAN-UP DAY – APRIL 23, 2011

The Sacramento Marina is hosting our first annual Marina/Miller Park Clean – Up Day on Saturday, April 23rd from 8am to Noon. The Marina is nestled in Miller Park off the beautiful Sacramento River and is a hidden gem that we cannot neglect. With boating season around the corner, volunteers are needed to assist in picking up debris and litter in Marina and Miller Park parking lots, promenade, gateways, grassy areas, launch ramp, water and more. Depending on how many volunteers we have, we will split up into groups. Please come prepared by wearing closed toe shoes with rubber soles (tennis shoes), loose clothing, sunscreen, sunglasses and hat if needed as this will all be outdoors and a lot of walking will be involved. Snacks and drinks will be provided. If the weather is drizzly, we will continue on. If the weather is heavy showers, this event will be postponed or canceled. Please complete the Marina/Miller short-term agreement if you are interested in volunteering for this event. This is a great opportunity for you to visit the marina and decide if you would like to become more involved with ongoing volunteering in and around the docks. For more information, please contact Kendra Gray at kmgray@cityofsacramento.org or 916-808-5712.

DOCK CLEANING – SPECIFIC DUTY

Volunteers are needed now on the docks to focus on cleaning up wildlife fecal matter left on our docks. This is the time of year where in just a day's time; the birds can leave quite a mess. An hour or two a day would do the job to keep our docks looking ship shape. This is a great opportunity to be on the water outdoors in a relaxing setting. For more information, please contact Kendra Gray at kmgray@cityofsacramento.org or 916-808-5712.

KIDS ON THE WATER – JUNE 2, 2011

Our 2nd annual Kids on the Water day is coming up on June 2, 2011. This year, this special day will be for the first graders of Genevieve Didion Elementary School. A day of fun has been planned for them and volunteers are needed to help make the day a success. If you are interested in participating for this event, volunteers are needed for the following:

- Making parting packages for the youngsters
- Fitting kids with lifejackets upon their arrival
- Assisting teachers/marina staff with group activity (stay with group)
- Setting up classroom
