

SACRAMENTO
MARINA

ADDITIONAL CHARGES

I authorize the Sacramento Marina to invoice my account \$15.00 per month for the rental of one (1) dock locker as of the installation date. I agree not to store flammable liquids, oil, paint, or varnish in the dock locker. I agree to return the dock locker to the Marina in good condition and empty of all items.

I authorize the Sacramento Marina to invoice my account \$10.00 per month for electrical usage. I understand that the Marina will continue to invoice me for dock power until I give them written notice that I wish to discontinue the service. For customers using electricity, power cords must be run along the dock in a way such as to not cause a tripping hazard or run along the roof supports.
