## **City Garbage Services Reminders for Upcoming Holiday and Green Waste Collection Update**

- The City of Sacramento Department of Utilities reminds customers that it will collect garbage and recycling as scheduled on the Martin Luther King Day holiday, January 21, 2008.
- The City of Sacramento Department of Utilities reminds residents and businesses to check online regarding their next green waste collection date. Recent storms have brought high winds and downed trees. This has resulted in larger green waste piles for collection. Green waste collection may be delayed for as long as a week. Please check [www.cityofsacramento.org/utilities](http://www.cityofsacramento.org/utilities) for a map to determine your next collection day.
