Call for Input: Utilities Department Survey Closes Tomorrow

Public encouraged to take short survey or attend Monday's Audit Committee Meeting

Sacramento, Calif. – The City of Sacramento Audit Committee is encouraging residents and business owners in Sacramento to participate in an online survey to share views and opinions of the audit being conducted for the Department of Utilities. The survey can be accessed by visiting: <http://www.surveymonkey.com/s/VXPZYVR>.

“Public input is vital to this audit and to helping to rebuild trust in our Utility Department,” said Council Member Steve Cohn, chairman of the City’s Audit Committee.

The public is also invited to attend the Audit Committee meeting slated for Monday, April 4. The meeting will be held in the Council Chambers, New City Hall, 915 I Street at 7:30 p.m.

Background: On February 22, 2011, the City Council authorized the City Auditor to execute a Professional Services Agreement with Public Financial Management, Inc. to conduct an operational efficiency and cost savings audit of the Utilities Department. The audit shall be an objective examination of the Utilities Department to evaluate whether the department is managing resources in a responsive, economical and efficient manner.
