The City's Police and Transportation departments are encouraging motorists to plan ahead for Sacramento Grand Prix race, Saturday, Sept. 10. The event will entail multiple road closures along with extensive parking restrictions around the State Capitol.

Downtown circuit street closures

To facilitate the set-up of the downtown circuit, the following streets will be closed to traffic from 11:30 a.m. Saturday, Sept. 10, through 9 p.m. that evening:

- 10th Street from L to N streets
- N Street from 10th to 15th streets
- 15th Street from N to L streets
- L Street from 15th to 10th streets

On-street parking will be limited

Before and during the event, on-street parking downtown will be limited as approximately **300** on-street parking spaces will be posted "no parking" until Saturday evening. Vehicles parked in restricted areas will be towed at the owner's expense.

Beginning Saturday at 7 a.m. through midnight, parking will be prohibited on N Street between 10th and 15th streets, 10th Street between J and N streets, 15th Street between N and L Streets and L Street between 10th and 15th streets.

Nearby garage parking will be available

Starting on Saturday morning, September 10, until 9 p.m., 10th Street which is one-way between J and L streets will become a two-way street to facilitate parking at the Capitol Garage.

Due to the large number of spectators anticipated, the Department of Transportation also will have staff monitoring the occupancy of all City garages. As facilities near capacity, drivers will be directed to alternative parking garages. Parking Services highly recommends using the City Hall Garage at 10th and I streets, Memorial Garage at 14th and H streets, Old Sacramento Garage at 3rd and I streets, the Downtown Plaza West Garage at L and 3rd street, the Downtown Plaza East Garage with entrances on J and L streets and the Tower Bridge garage off Capitol.
