Share your thoughts about living and working in Sacramento

Community survey will be used for the city's 2030 General Plan annual report

Sacramento, CA – The City of Sacramento Community Development Department invites residents and those who work in the City of Sacramento to complete a web-based survey to provide community input on living and working in Sacramento. The survey results will be used as part of the city's 2030 General Plan annual report and help capture the community's perspective on livability and quality of life in Sacramento.

To complete the survey, visit <http://www.surveymonkey.com/s/2011GeneralPlanAnnualReport>. The survey will be available through Monday, February 13.

“Every year, we invite the community to tell us how they feel about living and doing business in our city,” says Tom Pace, long range planning manager. “Hearing from the public helps us ensure we are on the right track as we carry out the vision of the city's 2030 General Plan.”

The annual report, including the survey results, will be presented to City Council to help develop policy, establish future priorities and give staff direction on how to implement specific projects and programs outlined in the 2030 General Plan.

For more information about the General Plan annual report or related projects, visit www.sacgp.org or contact Teresa Haenggi at (916) 808-7554 or thaenggi@cityofsacramento.org.
