SMALL BUSINESS NIGHT AT THE PERMIT CENTER

**Open House: Wednesday, October 18, 2006
5:30 p.m. to 7:30 p.m.
North Permit Center, 2101 Arena Blvd., Suite 200**

The City of Sacramento is expanding its small business assistance programs. In addition to services during regular business hours, the City will be offering Wednesday evening hours for small businesses.

The first Small Business Night is scheduled for Wednesday, October 18, 5:30 to 7:30 p.m.

Subsequent Wednesdays evenings, the North Permit Center will be open for small business owners. Please call for appointment to ensure appropriate staff are available to serve you.

Small business night services include the following:

- ◆ General information and guidance about City code and permit requirements and fees for new and existing businesses, including new construction, tenant improvements, additions, and remodels.
- ◆ Pre-application meetings
- ◆ Issuance of minor permits over the counter
- ◆ Sign permits
- ◆ Business Operation Tax
- ◆ Information about small business loans and other programs
- ◆ Information and application for Emerging Small Business Development (ESBD) certification for City contracts
- ◆ Referrals to other agencies and programs

WHO CAN OBTAIN A PERMIT?

Property owners and licensed contractors can obtain building permits.
