MEMORANDUM

Date: July 25, 2008
To: Development Oversight Commission
From: Carl Hefner, Deputy Chief Building Official
SUBJECT: Workload Inspection Assignments

Enclosed, is a report reflecting a Daily Inspection Assignment Report which shows the commercial and residential inspections areas, the inspector's discipline, and individual daily workload totals. In addition, our report for the September meeting will reflect turnaround times for July plan review since we have already reviewed the data from June.

We will continue to report to the Commission monthly or as requested. We look forward to your review, comments, suggestions and recommendations.
