

Active Planning Projects (P Files)

These projects require Planning Commission and/or City Council level entitlements. They do not include Zoning Administrator, Design Review, or Historic Preservation projects. An Active Planning Project is defined as an application that has been submitted but is not approved. The information on this webpage is updated every quarter (3 months) and hearing dates are tentative. For the most current information on a particular project, please contact the project planner or search the [Applications Management System](#).
